B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by

selecting "Currently under Review - Open for Public Comments" or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC recently submitted a request for renewal of an existing collection of information to OMB for review entitled, "Suspicious Activity Reporting Using the Protective Web Server." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on March 22, 2023, 88 FR 17280.

1. *The title of the information collection:* Suspicious Activity Reporting Using the Protective Web Server.
2. *OMB approval number:* 3150-0219.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* On occasion. Reporting is

done on a voluntary basis, as suspicious incidents occur.

6. *Who will be required or asked to respond:* NRC license holders and applicants that are not required by regulation to report suspicious activity can voluntarily provide security reports as a result of various advisories that the NRC issues. NRC licensed entities that may voluntarily send reports include applicants for title 10 of the *Code of Federal Regulations* (10 CFR) part 50 license, holders of construction permit under 10 CFR part 50, applicants for 10 CFR part 52 license, fuel fabrication facilities, uranium conversion/deconversion facilities, and holders of certificates of compliance under 10 CFR part 72.

7. *The estimated number of annual responses:* 78.

8. *The estimated number of annual respondents:* 52.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 58.5.

10. *Abstract:* NRC licensees voluntarily report information on suspicious incidents on an ad-hoc basis, as these incidents occur. This information is shared with authorized nuclear industry officials and Federal, State, and local government agencies using the Protected Web Server. Information provided by licensees is considered OFFICIAL USE ONLY and is not made public.

Dated: July 6, 2023.
