Notice of Revocation of Market-Based Rate Authority and Termination of Electric Market-Based Rate Tariff

On April 20, 2023, the Commission issued an order announcing its intent to revoke the market-based rate authority of the sellers¹ captioned above that had failed to file their baseline submissions to the market-based rate relational database,² as required by Order No. 860.³ The Commission directed that DDP Specialty Electronic Materials US, Inc. (DDP Materials) and MC (US) 3, LLC (MC 3) file the required baseline submission within 15 days of the date of issuance of the April 20 Order or face revocation of their authority to sell power at market-based rates and termination of their electric market-based rate tariffs.⁴

The time period for compliance with the April 20 Order has elapsed. DDP Materials and MC 3 failed to file their delinquent baseline submissions to the market-based rate relational database. The Commission hereby revokes, effective as of the date of issuance of this notice, the market-based rate authority and terminates the electric market-based rate tariffs of DDP Materials and MC 3. This revocation does not preclude DDP Materials and MC 3 from re-applying for market-based rate authority.

Dated: July 14, 2023.

Debbie-Anne A. Reese,
Deputy Secretary.
