

Notice of Public Hearing and Business Meeting; August 9 and September 7, 2023

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on **Wednesday, August 9, 2023**. A business meeting will be held the following month on **Thursday, September 7, 2023**. Both the hearing and the business meeting are open to the public and both will be conducted remotely. Details about the remote platforms for the public hearing and the business meeting will be posted on the Commission's website, www.drbc.gov, at least ten days prior to the respective hearing and meeting dates. Both the public hearing and the business meeting will be streamed live on the Commission's YouTube channel.

Public Hearing. The Commission will conduct the public hearing virtually on **August 9, 2023**, commencing at 1:30 p.m. Hearing items will include draft dockets for withdrawals, discharges, and other projects that could have a substantial effect on the basin's water resources. A list of the projects scheduled for hearing, including project descriptions, along with links to draft docket approvals, will be posted on the Commission's web site, www.drbc.gov, in a long form of this notice at least ten days before the hearing date.

Written comments on matters scheduled for hearing on **August 9, 2023** will be accepted through **5:00 p.m. on Monday, August 14, 2023**.

The public is advised to check the Commission's web site periodically during the ten days prior to the hearing date, as items scheduled for hearing may be postponed if additional time is needed to complete the Commission's review. Items also may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is asked to be aware that the details of projects may change during the Commission's review, which is ongoing.

Business Meeting. The business meeting on **September 7, 2023** will begin at **10:30 a.m.** and will include: adoption of the Minutes of the Commission's June 7, 2023 business meeting;

announcements of upcoming meetings and events; a report on hydrologic conditions; reports by the Executive Director and the Commission's General Counsel; and consideration of any items for which a hearing has been completed or is not required. The agenda is expected to include consideration of the draft dockets for withdrawals, discharges, and other projects that were subjects of the public hearing on August 9, 2023.

After all scheduled business has been completed and as time allows, the business meeting will be followed by up to one hour of Open Public Comment, an opportunity to address the Commission off the record on any topic concerning management of the basin's water resources outside the context of a duly noticed, on-the-record public hearing.

There will be no opportunity for additional public comment for the record at the September 7, 2023 business meeting on items for which a hearing was completed on August 9, 2023 or a previous date. Commission consideration on September 7, 2023 of items for which the public hearing is closed may result in approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.

Advance Registration and Sign-Up for Oral Comment. Links for registration to attend the public hearing and the business meeting will be posted at www.drbc.gov at least ten days before each meeting date. Registrants who wish to comment on the record during the public hearing on August 9, 2023 or to address the Commissioners informally during the Open Public Comment session following the meeting on September 7, 2023 as time allows, will be asked to so indicate when registering.
