DEPARTMENT OF HEALTH AND HUMAN SERVICES

Food and Drug Administration

[Docket No. FDA-2023-N-2965]

Medical Device User Fee Rates for Fiscal Year 2024

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice.

SUMMARY: The Food and Drug Administration (FDA) is announcing the fee rates and payment procedures for medical device user fees for fiscal year (FY) 2024. The Federal Food, Drug, and Cosmetic Act (FD&C Act), as amended by the Medical Device User Fee Amendments of 2022 (MDUFA V), authorizes FDA to collect user fees for certain medical device submissions and annual fees both for certain periodic reports and for establishments subject to registration. This notice establishes the fee rates for FY 2024, which apply from October 1, 2023, through September 30, 2024, and provides information on how the fees for FY 2024 were determined, the payment procedures you should follow, and how you may qualify for reduced small business fees.

FOR FURTHER INFORMATION CONTACT: For information on Medical Device User Fees: https://www.fda.gov/industry/fda-user-fee-programs/medical-device-user-fee-amendments-mdufa.

For questions relating to the MDUFA Small Business Program, please visit the Center for Devices and Radiological Health’s website: https://www.fda.gov/medical-devices/premarket-submissions/reduced-medical-device-user-fees-small-business-determination-sbd-program.

For questions relating to this notice: Olufunmilayo Ariyo, Office of Financial Management, Food and Drug Administration, 4041 Powder Mill Rd., Beltsville, MD 20705-
SUPPLEMENTARY INFORMATION:

I. Background

The FD&C Act, as amended by MDUFA V, authorizes FDA to collect user fees for certain medical device submissions and annual fees both for certain periodic reports and for establishments subject to registration. Section 738 of the FD&C Act (21 U.S.C. 379j) establishes fees for certain medical device applications, submissions, supplements, notices, and requests (for simplicity, this document refers to these collectively as “submissions” or “applications”); for periodic reporting on class III devices; and for the registration of certain establishments.

Under the FD&C Act, the fee rate for each type of submission is set at a specified percentage of the standard fee for a premarket application (a premarket application is a premarket approval application (PMA), a product development protocol (PDP), or a biologics license application (BLA)). The FD&C Act specifies the base fee for a premarket application for each year from FY 2023 through FY 2027; the base fee for a premarket application received by FDA during FY 2024 is $435,000. From this starting point, this document establishes FY 2024 fee rates for certain types of submissions, and for periodic reporting, by applying criteria specified in the FD&C Act. Under statutorily defined conditions, a qualified applicant may receive a fee waiver or may pay a lower small business fee (see 21 U.S.C. 379j(d) and (e)). For more information on fee waivers, please see Section IX. Small Business Fee Reductions and Fee Waivers.

The FD&C Act specifies the base fee for establishment registration for each year from FY 2023 through FY 2027; the base fee for an establishment registration in FY 2024 is $6,875. Each establishment that is registered (or is required to register) with the Secretary of Health and Human Services under section 510 of the FD&C Act (21 U.S.C. 360) because such
establishment is engaged in the manufacture, preparation, propagation, compounding, or processing of a device is required to pay the annual fee for establishment registration.

II. Total Revenue Amount for FY 2024

The total revenue amount for FY 2024 is $335,750,000, as set forth in the statute prior to the inflation adjustment (see 21 U.S.C. 379j(b)(3)). MDUFA V directs FDA to use the yearly total revenue amount as a starting point to set the standard fee rates for each fee type. The fee calculations for FY 2024 are described in this document.

Inflation Adjustment

MDUFA specifies that the $335,750,000 is to be adjusted for inflation increases for FY 2024 using two separate adjustments: one for payroll costs and one for non-payroll costs (see 21 U.S.C. 379j(c)(2)). The base inflation adjustment for FY 2024 is the sum of one plus the two separate adjustments and is compounded as specified in the statute (see 21 U.S.C. 379j(c)(2)(C) and 379j(c)(2)(B)).

The component of the inflation adjustment for payroll costs is the average annual percent change in the cost of all personnel compensation and benefits (PC&B) paid per full-time equivalent position (FTE) at FDA for the first 3 of the 4 preceding FYs, multiplied by 0.60, or 60 percent (see 21 U.S.C. 379j(c)(2)(C)).

Table 1 summarizes the actual cost and FTE data for the specified FYs, provides the percent change from the previous fiscal year, and provides the average percent change over the first 3 of the 4 fiscal years preceding FY 2024. The 3-year average is 3.9280 percent (rounded).

<table>
<thead>

<td>7.3063%</td>
<td>0.1811%</td>
<td>4.2967%</td>
<td>3.9280%</td>
</tr>
</tbody>
</table>

The payroll adjustment is 3.9280 percent multiplied by 60 percent, or 2.3568 percent. The statute specifies that the component of the inflation adjustment for non-payroll costs for FY 2024 is the average annual percent change that occurred in the Consumer Price Index (CPI) for
urban consumers (Washington-Arlington-Alexandria, DC-VA-MD-WV; Not Seasonally Adjusted; All Items; Annual Index) for the first 3 of the preceding 4 years of available data multiplied by 0.40, or 40 percent (see 21 U.S.C. 379j(c)(2)(C)).

Table 2 provides the summary data and the 3-year average percent change in the specified CPI for the Washington-Arlington-Alexandria area. These data are published by the Bureau of Labor Statistics and can be found on their website under series Id CUURS35ASA0 at: https://data.bls.gov/pdq/SurveyOutputServlet?data_tool=dropmap&series_id=CUURS35ASA0, CUUSS35ASA0.

<table>
<thead>
<tr>
<th></th>
<th>2020</th>
<th>2021</th>

<td></td>
</tr>
<tr>
<td>3-Year Average Percent Change in CPI</td>
<td></td>
<td></td>
<td></td>
<td>3.8256%</td>
</tr>
</tbody>
</table>

The non-payroll adjustment is 3.8256 percent multiplied by 40 percent, or 1.5302 percent. Next, the payroll adjustment (2.3568 percent or 0.023568) is added to the non-payroll adjustment (1.5302 percent or .015302), for a total of 3.8870 percent (or 0.038870). To complete the inflation adjustment, 1 (100 percent or 1.0) is added for a total base inflation adjustment of 1.03887 for FY 2024.

MDUFA V provides for this inflation adjustment to be compounded for FY 2023 and each subsequent fiscal year (see 21 U.S.C. 379j(c)(2)(B)(ii)). To complete the compounded inflation adjustment for FY 2024, the FY 2023 compounded adjustment (1.038870) is multiplied by the FY 2024 base inflation adjustment (1.038935) to reach the applicable inflation adjustment of 1.079318 (rounded) for FY 2024. We then multiply the total revenue amount for FY 2024 ($335,750,000) by 1.079318, yielding an inflation adjusted total revenue amount of $362,381,000 (rounded to the nearest thousand dollars).

III. Adjustments to Base Fee Amounts for FY 2024
Under the FD&C Act, all submission fees and the periodic reporting fee are set as a percent of the standard (full) fee for a premarket application (see 21 U.S.C. 379j(a)(2)(A)).

A. Inflation Adjustment

MDUFA specifies that the base fees of $435,000 (premarket application) and $6,875 (establishment registration) are to be adjusted for FY 2024 using the same methodology as that for the total revenue inflation adjustment in section II (see 21 U.S.C. 379j(c)(2)(D)(i)). Multiplying the base fees by the compounded inflation adjustment of 1.079318 yields inflation adjusted base fees of $469,503 (premarket application) and $7,420 (establishment registration).

B. Further Adjustments To Generate the Inflation-Adjusted Total Revenue Amount

After the applicable inflation adjustment to fees is done, FDA may increase, if necessary to achieve the inflation adjusted total revenue amount, the base fee amounts on a uniform proportionate basis (see 21 U.S.C. 379j(c)(2)(D)(ii)). After this adjustment, if necessary, FDA may further increase the base establishment registration fees to generate the inflation-adjusted total revenue amount (see 21 U.S.C. 379j(c)(3)).

C. MDUFA V Adjustments Solely to Registration Fees

MDUFA V has three new potential adjustments that will not change the total revenue amount but may impact collections by increasing or decreasing establishment registration base fees only. These adjustments are the performance improvement adjustment, the hiring adjustment, and the operating reserve adjustment. Only the operating reserve adjustment is potentially applicable in FY 2024.

1. Performance Improvement Adjustment

For FY 2024, there is no performance improvement adjustment. Beginning with FY 2025, this adjustment allows FDA to collect fees in addition to the total revenue amount in FYs 2025, 2026, and 2027, if the Agency meets certain performance goals in FYs 2023, 2024, and 2025. If applicable, this provision further increases base establishment registration fee amounts
to achieve an increase in total fee collections equal to the applicable performance improvement adjustment, which is set forth in the statute (see 21 U.S.C. 379j(c)(4)).

2. Hiring Adjustment

For FY 2024, there is no hiring adjustment. Beginning with FY 2025, this adjustment provides for the reduction of base establishment registration fees in FYs 2025, 2026, and 2027, if specified hiring goals for FYs 2023, 2024, and 2025 are not met by a certain threshold. The hiring adjustment would serve to decrease the base establishment registration fee amounts as necessary to achieve a reduction in total fee collections equal to the hiring adjustment amount, which is set forth in the statute (see 21 U.S.C. 379j(c)(5)).

3. Operating Reserve Adjustment

For FYs 2023 to 2027, the operating reserve adjustment requires FDA to decrease base establishment registration fees if the amount of operating reserves of carryover user fees exceeds the “designated amount” and such reduction is necessary to provide for not more than such designated amount of operating reserves of carryover user fees (see 21 U.S.C. 379j(c)(6)). In making this calculation for FYs 2023 to 2026, a certain amount is excluded from the designated amount and is not subject to the decrease (see 21 U.S.C. 379j(c)(6)(C)). For FY 2024, this excluded amount is $100,600,981.

The designated amount is equal to the sum of 13 weeks of operating reserves of carryover user fees plus 1 month of operating reserves described in 21 U.S.C. 379j(c)(8) (see 21 U.S.C. 379j(c)(6)(B)).

To determine the 13-week operating reserves of carryover user fees amount, the FY 2024 inflation-adjusted total revenue amount, $362,381,000 is divided by 52, and then multiplied by 13. The 13-week operating reserve amount for FY 2024 is $90,595,250.

To determine the 1 month of operating reserves described in 21 U.S.C. 379j(c)(8), the FY 2024 inflation-adjusted total revenue amount of $362,381,000 is divided by 12. The 1 month of operating reserves for FY 2024 is $30,198,417.
For FY 2024, the designated amount is equal to the 13-week operating reserve of $90,595,250 plus the 1 month of operating reserves of $30,198,417, totaling $120,793,667.

To determine the FY 2023 end-of-year operating reserves of carryover user fees amount, FDA combined the actual collections and obligations at the end of the third quarter (June 2023) and added the forecasted collections and obligations for the fourth quarter of FY 2023 to generate a full year estimate for FY 2023. The estimated end-of-year FY 2023 operating reserves of carryover user fees is $30,019,132 (Note, this amount includes the 1-month reserve).

Note that under MDUFA V, for the purposes of calculating the operating reserve adjustment, this amount does not include user fee funds considered unappropriated ($26,680,243) or unearned revenue ($65,418,275). In addition, as noted above, for purposes of the operating reserve adjustment, operating reserves of carryover user fees do not include the estimated $100,600,981 remaining to spend at the end of FY 2023 from the total of $118,000,000 intended to support the Total Product Life Cycle Advisory Program Pilot and Third-Party Review programs.

Because the estimated end-of-year FY 2023 MDUFA operating reserves of carryover user fees amount totaling $30,019,132 does not exceed the FY 2024 designated amount of $120,793,667 FDA will not decrease the base establishment registration fee amounts for FY 2024 to provide for not more than such designated amount.

IV. Calculation of Fee Rates

As noted in section II, the total revenue amount after the applicable inflation adjustment is $362,381,000 (rounded to the nearest thousand dollar). As noted in section III, there is no MDUFA V adjustment solely to registration fees for FY 2024.

Table 3A provides fee-paying submission counts excluding establishment registration for the last 3 years and the 3-year average. Table 3B provides establishment registration fee-paying submission counts for the last 5 years and the 5-year average. Historically, FDA has estimated the total number of fee-paying submission counts it expects to receive during the next fiscal year
by averaging the number of fee-paying submission counts received in the 3 most recently
completed fiscal years; for FY 2024 fee-setting, this would be an average of FY 2020 through
FY 2022. FDA received an abnormally high volume of fee paying establishment registrations
due to the COVID-19 pandemic in FY 2020 and FY 2021. The surge in fee-paying
establishment registrations has been declining starting in FY 2022, trending back toward pre-
pandemic levels. In an effort to normalize the projected volume of establishment registration
submissions for the FY 2024 fee-setting calculation and more accurately project the associated
establishment registration revenue, FDA decided to average the number of establishment
registrations from FY 2018 through FY 2022. FDA believes a 5-year average to estimate
establishment registration volume will minimize the impact of the surge in fee paying
establishment registration volume in FY 2020 and FY 2021.

The information in tables 3A and 3B is necessary to estimate the amount of revenue that will be collected based on the fee amounts. Tables 4A and B display the FY 2024 base fees set in statute (column one) and the inflation adjusted base fees (per calculations in section III.A.) (column two). Using the inflation adjusted fees, the 3-year average of fee-paying submissions (excluding establishment registration), and the 5-year average of fee-paying establishment registration submissions, collections are projected to total $351,531,781 which is $10,849,219 lower than the inflation adjusted total revenue amount (in section II). Accordingly, the next step in the fee setting process is to increase the base fee amounts on a uniform proportionate basis to generate the inflation adjusted total revenue amounts (see 21 U.S.C. 379j(c)(2)(D)(ii) and table 4A, column three).

Applying these further adjusted fee rates to the 3-year average of fee paying submissions, and the 5-year average of fee-paying establishment registration submissions results in estimated total fee collections of $362,040,886, which is still $340,114 lower than the inflation adjusted total revenue amount (in Section II). The next step in the fee setting process, after the adjustment in (2)(D) is done, is to increase the base establishment registration fee amount as necessary for total fee collections to generate the inflation adjusted total revenue amount, as adjusted under paragraph (2) (see 21 U.S.C. 379j(c)(3)). Accordingly, the base establishment registration fee was increased by $11 for an establishment registration fee rate of $7,653 (see 21 U.S.C. 379j(c)(3)). The fees in column three in tables 4A and 4B are those we are establishing for FY 2024, which are the standard fees.

The standard fee (adjusted base amount) for a premarket application, including a BLA, and for a premarket report and a BLA efficacy supplement, is $483,560 for FY 2024. The fees set by reference to the standard fee for a premarket application are:

- For a panel-track supplement, 80 percent of the standard fee;
- For a de novo classification request, 30 percent of the standard fee;
- For a 180-day supplement, 15 percent of the standard fee;
- For a real-time supplement, 7 percent of the standard fee;
- For an annual fee for periodic reporting concerning a class III device, 3.5 percent of the standard fee;
- For a 510(k) premarket notification, 4.5 percent of the standard fee;
- For a 30-day notice, 1.6 percent of the standard fee; and
- For a 513(g) request for classification information, 1.35 percent of the standard fee.

For all submissions other than a 30-day notice and a 513(g) request for classification information, the small business fee is 25 percent of the standard (full) fee for the submission (see 21 U.S.C. 379j(d)(2)(C) and (e)(2)(C)). For a 30-day notice and a 513(g) request for classification information, the small business fee is 50 percent of the standard (full) fee for the submission (see 21 U.S.C. 379j(d)(2)(C)).

The annual fee for establishment registration, after adjustments, is set at $7,653 for FY 2024. For FY 2024, there is no small business waiver for the annual establishment registration fee; all establishments pay the same fee.

For more information on reduced fees and waivers for small businesses, please see Section IX. Small Business Fee Reductions and Fee Waivers.

Table 5 summarizes the FY 2024 rates for all medical device fees.

V. How To Qualify as a Small Business for Purposes of Medical Device Fees

If your business, including your affiliates, has gross receipts or sales of no more than $100 million for the most recent tax year, you may qualify for reduced small business fees. If your business, including your affiliates, has gross sales or receipts of no more than $30 million, you may also qualify for a waiver of the fee for your first premarket application (i.e., PMA, PDP, or BLA) or premarket report. If you want to pay the small business fee rate for a submission or you want to receive a waiver of the fee for your first premarket application or premarket report, you must submit the materials showing you qualify as a small business at least 60 days before you send your submission to FDA. For more information on fee waivers or reductions, please see Section IX. Small Business Fee Reductions and Fee Waivers.

Please note that the establishment registration fee is not eligible for a reduced small business fee. As a result, if the establishment registration fee is the only medical device user fee that you will pay in FY 2024, you should not submit a Small Business Certification Request. FDA will review your information and determine whether you qualify as a small business eligible for the reduced fee and/or fee waiver. If you make a submission before FDA finds that you qualify as a small business, you must pay the standard (full) fee for that submission.

If your business qualified as a small business for FY 2023, your status as a small business will expire at the close of business on September 30, 2023. You must re-qualify for FY 2024 in order to pay small business fees during FY 2024.

A. Domestic (U.S.) Businesses

If you are a domestic (U.S.) business and wish to qualify as a small business for FY 2024, submit the following to FDA:
1. A completed MDUFA Small Business Certification Request for a Business Headquartered in the United States (Form FDA 3602). Form FDA 3602 is provided in the FDA Forms database: https://www.fda.gov/media/128050/download.

2. A signed copy of your Federal (U.S.) Income Tax Return for the most recent tax year. The most recent tax year will be 2023, except:

   - If you submit your MDUFA Small Business Certification Request for FY 2024 before April 15, 2024, and you have not yet filed your return for 2023, you may use tax year 2022.
   
   - If you submit your MDUFA Small Business Certification Request for FY 2024 on or after April 15, 2024, and have not yet filed your 2023 return because you obtained an extension, you may submit your most recent return filed prior to the extension.

3. For each of your affiliates, either:

   - If the affiliate is a domestic (U.S.) business, a signed copy of the affiliate’s Federal (U.S.) Income Tax Return for the most recent tax year, or
   
   - If the affiliate is a foreign business and cannot submit a Federal (U.S.) Income Tax Return, a National Taxing Authority Certification completed by, and bearing the official seal of, the National Taxing Authority, if extant, of the country in which the firm is headquartered. The National Taxing Authority is the foreign equivalent of the U.S. Internal Revenue Service. This certification must show the amount of gross receipts or sales for the most recent tax year, in both U.S. dollars and the local currency of the country, the exchange rate used in converting the local currency to U.S. dollars, and the dates of the gross receipts or sales collected. The business must also submit a statement signed by the head of the business’s firm or by its chief financial officer that the business has submitted certifications for all of its affiliates, identifying the name of each affiliate, or that the business has no affiliates.
• If your affiliate is headquartered in a country without a National Taxing Authority, please contact the Division of Industry and Consumer Education at 800-638-2041 or 301-796-7100 or email at DICE@fda.hhs.gov.

4. Once you have completed your Form FDA 3602, print and sign the form. Mail the completed form and your supporting documentation (copies of the Federal (U.S.) income tax returns) to Medical Device User Fee Small Business Certification Request mailing address, which is available at the following website: https://www.fda.gov/MedicalDevices/DeviceRegulationandGuidance/HowtoMarketYourDevice/PremarketSubmissions/ucm577696.htm.

   If you need assistance, please contact the Division of Industry and Consumer Education at 800-638-2041 or 301-796-7100 or email at DICE@fda.hhs.gov.

B. Foreign Businesses

If you are a foreign business, and wish to qualify as a small business for FY 2024, submit the following:

1. A completed MDUFA Foreign Small Business Certification Request for a Business Headquartered Outside the United States (Form FDA 3602A). Form FDA 3602A is provided in the FDA Forms database: https://www.fda.gov/media/128059/download.

2. A National Taxing Authority Certification, completed by, and bearing the official seal of, the National Taxing Authority, if extant, of the country in which the firm is headquartered. This certification must show the amount of gross receipts or sales for the most recent tax year, in both U.S. dollars and the local currency of the country, the exchange rate used in converting the local currency to U.S. dollars, and the dates of the gross receipts or sales collected.

   If your firm is headquartered in a country without a National Taxing Authority, please contact the Division of Industry and Consumer Education at 800-638-2041 or 301-796-7100 or email at DICE@fda.hhs.gov.

3. For each of your affiliates, either:
• If the affiliate is a domestic (U.S.) business, a signed copy of the affiliate’s Federal (U.S.) Income Tax Return for the most recent tax year (2022 or later), or

• If the affiliate is a foreign business and cannot submit a Federal (U.S.) Income Tax Return, a National Taxing Authority Certification completed by, and bearing the official seal of, the National Taxing Authority, if extant, of the country in which the firm is headquartered. The National Taxing Authority is the foreign equivalent of the U.S. Internal Revenue Service. This certification must show the amount of gross receipts or sales for the most recent tax year, in both U.S. dollars and the local currency of the country, the exchange rate used in converting the local currency to U.S. dollars, and the dates for the gross receipts or sales collected. The business must also submit a statement signed by the head of the business’s firm or by its chief financial officer that the applicant has submitted certifications for all of its affiliates, identifying the name of each affiliate, or that the business has no affiliates.

• If your affiliate is headquartered in a country without a National Taxing Authority, please contact the Division of Industry and Consumer Education at 800-638-2041 or 301-796-7100 or email at DICE@fda.hhs.gov.

4. Once you have completed your Form FDA 3602A, print and sign the form. Mail the completed form and your supporting documentation, including the following, to CDRH’s Medical Device User Fee Small Business Certification Request address, which is available at the following website:

• A copy of the most recent Federal (U.S.) income tax return for each of your affiliates headquartered in the U.S. and

• A copy of an MDUFA Foreign Small Business Certification Request for each of your foreign affiliates.
VI. Procedures for Paying Application Fees

If your application or submission is subject to a fee and your payment is received by FDA between October 1, 2023, and September 30, 2024, you must pay the fee in effect for FY 2024. To avoid delay in the review of your application, you should pay the application fee at the time you submit your application to FDA. The later of the date that the application is received in the reviewing center’s document room or the date the U.S. Treasury recognizes the payment determines whether the fee rates for FY 2023 or FY 2024 apply. FDA must receive the correct fee at the time that an application is submitted, or the application will not be accepted for filing or review.

FDA requests that you follow the steps below before submitting a medical device application subject to a fee to ensure that FDA links the fee with the correct application. (Note: Do not send your user fee check to FDA with the application.)

A. Secure a Payment Identification Number (PIN) and Medical Device User Fee Cover Sheet From FDA Before Submitting Either the Application or the Payment

Log into the User Fee System at: https://userfees.fda.gov/OA_HTML/mdufmaCAcdLogin.jsp. Complete the Medical Device User Fee cover sheet. Be sure you choose the correct application submission date range. (Two choices will be offered until October 1, 2023. One choice is for applications and fees that will be received on or before September 30, 2023, which are subject to FY 2023 fee rates. A second choice is for applications and fees received on or after October 1, 2024, which are subject to FY 2024 fee rates.) After completing data entry, print a copy of the Medical Device User Fee cover sheet and note the unique PIN located in the upper right-hand corner of the printed cover sheet.

B. Electronically Transmit a Copy of the Printed Cover Sheet With the PIN
When you are satisfied that the data on the cover sheet is accurate, electronically transmit that data to FDA according to instructions on the screen. Applicants are required to set up a user account and password to assure data security in the creation and electronic submission of cover sheets.

C. Submit Payment for the Completed Medical Device User Fee Cover Sheet

1. The preferred payment method is online using electronic check (Automated Clearing House (ACH) also known as eCheck) or credit card (Discover, VISA, MasterCard, American Express). FDA has partnered with the U.S. Department of the Treasury to utilize Pay.gov, a web-based payment system, for online electronic payment. You may make a payment via electronic check or credit card after submitting your cover sheet. Secure electronic payments can be submitted using the User Fees Payment Portal at https://userfees.fda.gov/pay. Note: Only full payments are accepted. No partial payments can be made online. Once you search for your invoice, select “Pay Now” to be redirected to Pay.gov. Electronic payment options are based on the balance due. Payment by credit card is available for balances that are less than $25,000. If the balance exceeds this amount, only the ACH option is available. Payments must be made using U.S bank accounts as well as U.S. credit cards.

2. If paying with a paper check:

- All paper checks must be in U.S. currency from a U.S. bank and made payable to the Food and Drug Administration. If needed, FDA’s tax identification number is 53-0196965.

- Please write your application’s unique PIN (from the upper right-hand corner of your completed Medical Device User Fee cover sheet) on your check.

- Mail the paper check and a copy of the completed cover sheet to: Food and Drug Administration, P.O. Box 979033, St. Louis, MO 63197-9000. (Please note that this address is for payments of application and annual report fees only and is not to be used for payment of annual establishment registration fees.)
If you prefer to send a check by a courier, the courier may deliver the check to: U.S. Bank, Attn: Government Lockbox 979033, 1005 Convention Plaza, St. Louis, MO 63101.

(Note: This U.S. Bank address is for courier delivery only. If you have any questions concerning courier delivery contact U.S. Bank at 314-418-4013. This telephone number is only for questions about courier delivery).

3. If paying with a wire transfer:

- Please include your application’s unique PIN (from the upper right-hand corner of your completed Medical Device User Fee cover sheet) in your wire transfer. Without the PIN, your payment may not be applied to your cover sheet and review of your application may be delayed.

- The originating financial institution may charge a wire transfer fee. If the financial institution charges a wire transfer fee it is required that you add that amount to the payment to ensure that the invoice is paid in full.

Use the following account information when sending a wire transfer: U.S. Department of the Treasury, TREAS NYC, 33 Liberty St., New York, NY 10045, Acct. No. 75060099, Routing No. 021030004, SWIFT: FRNYUS33.

FDA records the official application receipt date as the later of the following: (1) the date the application was received by the FDA Document Control Center for the reviewing Center or (2) the date the U.S. Treasury recognizes the payment.

**D. Submit Your Application to FDA With a Copy of the Completed Medical Device User Fee Cover Sheet**

Please submit your application and a copy of the completed Medical Device User Fee cover sheet to the address located at https://www.fda.gov/cdrhssubmissionaddress.

**VII. Procedures for Paying the Annual Fee for Periodic Reporting**

You will be invoiced at the end of the quarter in which your PMA Periodic Report is due. Invoices will be sent based on the details included on your PMA file. You are responsible for
ensuring FDA has your current billing information, and you may update your contact information for the PMA by submitting an amendment to the pending PMA or a supplement to the approved PMA.

1. The preferred payment method is online using electronic check (ACH also known as eCheck) or credit card (Discover, VISA, MasterCard, American Express). Secure electronic payments can be submitted using the User Fees Payment Portal at https://userfees.fda.gov/pay (Note: Only full payments are accepted. No partial payments can be made online). Once you search for your invoice, select “Pay Now” to be redirected to Pay.gov. Note that electronic payment options are based on the balance due. Payment by credit card is available for balances that are less than $25,000. If the balance exceeds this amount, only the ACH option is available. Payments must be made using U.S. bank accounts as well as U.S. credit cards.

2. If paying with a paper check: The check must be in U.S. currency from a U.S. bank and made payable to the Food and Drug Administration. If needed, FDA’s tax identification number is 53-0196965.

   - Please write your invoice number on the check.
   - Mail the paper check and a copy of the invoice to: Food and Drug Administration, P.O. Box 979033, St. Louis, MO 63197-9000. (Please note that this address is for payments of application and annual report fees only and is not to be used for payment of annual establishment registration fees.)

To send a check by a courier, the courier must deliver the check and printed copy of the cover sheet to U.S. Bank, Attn: Government Lockbox 979033, 1005 Convention Plaza, St. Louis, MO 63101. (Note: This U.S. Bank address is for courier delivery only. If you have any questions concerning courier delivery, contact U.S. Bank at 314-418-4013. This telephone number is only for questions about courier delivery).

3. When paying by a wire transfer, it is required that the invoice number is included; without the invoice number the payment may not be applied. If the payment amount is not applied, the
invoice amount would be referred to collections. The originating financial institution may charge a wire transfer fee. If the financial institution charges a wire transfer fee, it is required that you add that amount to the payment to ensure that the invoice is paid in full.

Use the following account information when sending a wire transfer: U.S. Department of the Treasury, TREAS NYC, 33 Liberty St., New York, NY 10045, Acct. No. 75060099, Routing No. 021030004, SWIFT: FRNYUS33.

VIII. Procedures for Paying Annual Establishment Registration Fees

To pay the annual establishment registration fee, firms must access the Device Facility User Fee (DFUF) website at https://userfees.fda.gov/OA_HTML/furls.jsp. (FDA has verified the website address, but FDA is not responsible for any subsequent changes to the website address after this document publishes in the Federal Register.) Create a DFUF order and you will be issued a PIN when you place your order. After payment has been processed, you will be issued a payment confirmation number (PCN). You will not be able to register your establishment if you do not have a PIN and a PCN. An establishment required to pay an annual establishment registration fee is not legally registered in FY 2024 until it has completed the steps below to register and pay any applicable fee (see 21 U.S.C. 379j(f)(2)).

Companies that do not manufacture any product other than a licensed biologic are required to register in the Blood Establishment Registration (BER) system. FDA’s Center for Biologics Evaluation and Research (CBER) will send establishment registration fee invoices annually to these companies.

A. Submit a DFUF Order With a PIN From FDA Before Registering or Submitting Payment

To submit a DFUF Order, you must create or have previously created a user account and password for the user fee website listed previously in this section. After creating a username and password, log into the Establishment Registration User Fee FY 2024 store. Complete the DFUF order by entering the number of establishments you are registering that require payment. When you are satisfied that the information in the order is accurate, electronically transmit that data to
FDA according to instructions on the screen. Print a copy of the final DFUF order and note the unique PIN located in the upper right-hand corner of the printed order.

B. Pay for Your DFUF Order

Unless paying by U.S. credit card, all payments must be in U.S. currency and drawn on a U.S. bank.

1. If paying by credit card or electronic check (ACH or eCheck): The DFUF order will include payment information, including details on how you can pay online using a credit card or electronic check. Follow the instructions provided to make an electronic payment.

2. If paying with a paper check: The check must be in U.S. currency and drawn on a U.S. bank, and mailed to: Food and Drug Administration, P.O. Box 979108, St. Louis, MO 63197-9000. (Note: This address is different from the address for payments of application and annual report fees and is to be used only for payment of annual establishment registration fees.)

   If a check is sent by a courier that requests a street address, the courier can deliver the check to: U.S. Bank, Attn: Government Lockbox 979108, 1005 Convention Plaza, St. Louis, MO 63101. (Note: This U.S. Bank address is for courier delivery only. If you have any questions concerning courier delivery, contact U.S. Bank at 314-418-4013. This telephone number is only for questions about courier delivery.)

   Please make sure that both of the following are written on your check: (1) the FDA post office box number (P.O. Box 979108) and (2) the PIN that is printed on your order. Include a copy of your printed order when you mail your check.

3. If paying with a wire transfer: Wire transfers may also be used to pay annual establishment registration fees. To send a wire transfer, please read and comply with the following information:

   Include your order’s unique PIN (in the upper right-hand corner of your completed DFUF order) in your wire transfer. Without the PIN, your payment may not be applied to your facility and your registration may be delayed.
The originating financial institution may charge a wire transfer fee. If the financial institution charges a wire transfer fee, it is required that you add that amount to the payment to ensure that the invoice is paid in full. Use the following account information when sending a wire transfer: U.S. Dept. of the Treasury, TREAS NYC, 33 Liberty St., New York, NY 10045, Acct. No. 75060099, Routing No. 021030004, SWIFT: FRNYUS33. If needed, FDA’s tax identification number is 53-0196965.

C. Complete the Information Online To Update Your Establishment’s Annual Registration for FY 2024, or To Register a New Establishment for FY 2024

Go to the Center for Devices and Radiological Health’s website at https://www.fda.gov/medical-devices/how-study-and-market-your-device/device-registration-and-listing and click the “Access Electronic Registration” link on the left side of the page. This opens a new page with important information about the FDA Unified Registration and Listing System (FURLS). After reading this information, click on the “Access Electronic Registration” link in the middle of the page. This link takes you to an FDA Industry Systems page with tutorials that demonstrate how to create a new FURLS user account if your establishment did not create an account in FY 2023. Manufacturers of licensed biologics should register in the electronic Blood Establishment Registration (eBER) system at https://www.fda.gov/vaccines-blood-biologics/guidance-compliance-regulatory-information-biologics/biologics-establishment-registration.

Enter your existing account ID and password to log into FURLS. From the FURLS/FDA Industry Systems menu, click on the Device Registration and Listing Module (DRLM) of FURLS button. New establishments will need to register, and existing establishments will update their annual registration using choices on the DRLM menu. When you choose to register or update your annual registration, the system will prompt you through the entry of information about your establishment and your devices. If you have any problems with this process, email: reglist@cdrh.fda.gov or call 301-796-7400 for assistance. (Note: This email address and this
telephone number are for assistance with establishment registration only; they are not to be used for questions related to other aspects of medical device user fees.) Problems with the eBER system should be directed to

D. Enter Your DFUF Order PIN and PCN

After completing your annual or initial registration and device listing, you will be prompted to enter your DFUF order PIN and PCN, when applicable. This process does not apply to establishments engaged only in the manufacture, preparation, propagation, compounding, or processing of licensed biologic devices. CBER will send invoices for payment of the establishment registration fee to such establishments.

IX. Small Business Fee Reductions and Fee Waivers

To qualify for reduced fees for small businesses or a small business fee waiver, please see the requirements for qualification provided in Section V. How To Qualify as a Small Business for Purposes of Medical Device Fees. The applicant should submit a Small Business Certification Request and the supporting materials showing you qualify as a small business at least 60 days before you send your submission to FDA. FDA will review your information and determine whether you qualify as a small business eligible for the reduced fee and/or fee waiver. If you make a submission before FDA finds that you qualify as a small business, you must pay the standard (full) fee for that submission.

If you need assistance, please contact the Division of Industry and Consumer Education at 800-638-2041 or 301-796-7100 or email at DICE@fda.hhs.gov.

A. Premarket Approval Fee Reduction or Waiver

A small business applicant may request to pay a reduced rate for premarket approval fees. An applicant may also request a fee waiver for their first premarket application or premarket report (see 21 U.S.C. 379j(d)).

B. Premarket Notification Submission Fee Reduction
A small business applicant may request to pay a reduced rate for a premarket notification submission.

C. Annual Establishment Registration Fee

There is no small business waiver for the annual establishment registration fee; all establishments pay the same fee.

X. Refunds

To qualify for consideration for a refund, a person shall submit to FDA a written request for a refund not later than 180 days after such fee is due. FDA has discretion to refund a fee or a portion of the fee. A determination by FDA concerning a refund shall not be reviewable. For more information on qualifying and submitting a refund, see 21 U.S.C. 379j(a)(2)(D).

Date: July 21, 2023.

Lauren K. Roth,

Associate Commissioner for Policy.
