## **SUPPLEMENTARY INFORMATION:**

The Coast Guard will enforce the security zones for Seattle's Seafair Fleet Week Moving Vessels in 33 CFR 165.1333 for the regulated areas in the Elliott Bay from 11:30 a.m. on August 1, 2023, through 5 p.m. on August 7, 2023. This action is being taken to ensure the security of the vessels from sabotage or other subversive acts during this event. Our regulation for marine events within the Thirteenth Coast Guard District, § 165.1333, specifies the location of the regulated area in the Puget Sound around the participating vessels designated in this notice.

During the enforcement period, as reflected in § 165.1333, no person or vessel may enter or remain in the security zones without the permission of the COTP or a designated representative. The COTP may be assisted by other federal, state or local agencies with the enforcement of the security zones. For 2023, the following areas are § 165.1333 security zones: all navigable waters within 500 yards of USS BARRY (DDG-52), USCGC HENRY BLAKE (WLM-563), USCGC ROBERT WARD (WPC-1130), USCGC WAHOO (WPB-87345), HMCS YELLOWKNIFE (MM-706), HMCS EDMONTON (MM-703), HMCS NANAIMO (MM-702), while each such vessel is in the Sector Puget Sound COTP Zone.

The COTP has granted general permission for vessels to enter the outer 400 yards of the security zones as long as those vessels within the outer 400 yards of the security zones operate at the minimum speed necessary to maintain course unless required to maintain speed by the navigation rules. All vessel operators who desire to enter the inner 100 yards of the security zones or transit the outer 400 yards at greater than minimum speed necessary to maintain course must obtain permission from the COTP or a designated representative by contacting the on-scene patrol craft on VHF Ch 13 or Ch 16. Requests must include the reason why movement within this area is necessary. Vessel

operators granted permission to enter the security zones will be escorted by the on-scene patrol craft until they are outside of the security zones.

Due to a change in participating vessels, the Coast Guard will provide the maritime community with advanced actual notification of these security zones via the Local Notice to Mariners and marine information broadcasts before the start of the event. In the event that there are additional changes to the participating vessels, due to operational requirements, the Coast Guard will provide actual notice for any additional designated participating vessels not covered in this notice.

Members of the public may contact Sector Puget Sound COTP at 206-217-6002 for an up-to-date list of designated participating vessels.

If the COTP determines that the security zones need not be enforced for the full duration stated in this notice of enforcement, a Broadcast Notice to Mariners may be used to grant general permission to enter all portions of the regulated areas.

Dated: July 31, 2023.

M. A. McDonnell,

Captain, U.S. Coast Guard,

Captain of the Port Sector Puget Sound.
