SUPPLEMENTARY INFORMATION:

Agenda:

The Skate Committee will meet to receive Advisory Panel comments on a brief progress update on the 2023 management track stock assessment for skates. They will receive a progress update on the development of Framework Adjustment 12 to the

Northeast Skate Complex Fishery Management Plan (2024-2025 specifications and possession limits) and provide additional recommendations to the Council on the development of possession limit alternatives. The Committee will make recommendations to the Council for skate-related work in 2024.

Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
