The purpose of the Committee is to provide advice and make recommendations to the Secretary of Veterans Affairs on proposed research studies, research plans, and research strategies relating to the health consequences of military service in the Southwest Asia theater of operations during the Gulf War in 1990-91.

The Committee will review VA program activities related to Gulf War Veterans' illnesses and updates on relevant scientific research published since the last Committee meeting. This meeting will focus in part on 1) discussion of the current state of GWI case definition and scientific strength of evidence needed for translational application and implementation, 2) new technologies that may aid in advancing the understanding of Gulf War Illness, and 3) deliberation of RACGWVI recommendations.

The meeting will include time reserved for public comments before the meeting closes on September 8, 2023. Individuals who wish to address the Committee may submit a 1-2 page summary of their comments for inclusion in the official meeting record. Members of the public may submit written statements for the Committee's review or seek additional information by contacting Dr. Karen Block, Designated Federal Officer, at 202-443-5600, or at Karen.Block@va.gov.

Dated: August 8, 2023.

LaTonya L. Small,
Federal Advisory Committee Management Officer.
