### Renewable Fuel Standard (RFS) Program Compliance; Notification of Webinar

**AGENCY:** Environmental Protection Agency (EPA).

**ACTION:** Notification of webinar.

**SUMMARY:** The Environmental Protection Agency (EPA) is announcing a public webinar on the new regulatory provisions of the Renewable Fuel Standard (RFS) program.

**DATES:** The webinar will be held on September 7, 2023. Additional information regarding the workshop appears below under **SUPPLEMENTARY INFORMATION**.

**ADDRESSES:** All attendees must pre-register for the webinar by notifying the contact person listed under **FOR FURTHER INFORMATION CONTACT** by August 31, 2023. Additional information related to the webinar will be posted at: <https://www.epa.gov/renewable-fuel-standard-program/rfs-set-rule-implementation-webinar>. Interested parties should check the website for any updated information.

**FOR FURTHER INFORMATION CONTACT:** Nick Parsons, Office of Transportation and Air Quality, Assessment and Standards Division, Environmental Protection Agency; telephone number: (734) 214-4479; email address: [RFS-Hearing@epa.gov](mailto:RFS-Hearing@epa.gov).

**SUPPLEMENTARY INFORMATION:** EPA is hosting a public webinar to discuss the implementation of the new regulatory provisions promulgated as part of the Renewable Fuel Standard (RFS) final rule for 2023–2025 (the “Set Rule”).<sup>1</sup> These regulatory provisions include updated third-party engineering review requirements, new independence requirements for independent third-party auditors and professional engineers, an alternative recordkeeping requirement for parties using separated food waste, and updated regulatory provisions for the production, distribution, and use of biogas as a renewable fuel.

<sup>1</sup> 88 FR 44468 (July 12, 2023).

During the webinar, EPA intends to discuss the following:

- An overview of the regulatory amendments in the Set Rule.
- A detailed overview of the updated biogas regulatory provisions.
- A demonstration of the registration system updates for parties that want to use the alternative recordkeeping provisions for separated food waste.
- Changes to three-year engineering review updates and third-party engineer independence requirements.
- An overview of the new regulatory provisions for mixed digesters.
- A moderated question-and-answer period for stakeholders to ask additional questions related to these provisions.

EPA will post an agenda approximately one week before the webinar at:

*<https://www.epa.gov/renewable-fuel-standard-program/rfs-set-rule-implementation-webinar>*.

Interested parties should check this website for any updated information.

If you require the services of an interpreter or special accommodations such as audio description, please pre-register for the webinar and describe your needs by August 24, 2023.

EPA may not be able to arrange accommodations without advance notice.
