SUPPLEMENTARY INFORMATION:

Agenda:

The Monkfish Advisory Panel will meet to discuss recent fishery performance and outlook for the remainder of fishing year 2023. They will review the outcomes and recommendations of the Monkfish Research-Set-Aside (RSA) Working Group and make recommendations to the Monkfish Committee on next steps with the RSA program. The

Panel will also make recommendations to the Committee for monkfish-related work in 2024, which could include developing regulatory changes to the RSA program. Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
