Abstract: The College Cost Reduction and Access Act (Public Law 110-84) (the CCRAA) established the Teacher Education Assistance for College and Higher Education (TEACH) Grant Program under Part A of the Higher Education Act of 1965, as amended (the HEA). The regulations governing the TEACH Grant Program are in 34 CFR 686. The Department of Education (the Department) is requesting extension without change of this information collection for the TEACH Grant regulations under 34 CFR 686.43.

The TEACH Grant Program provides grants of up to \$4,000 per year to undergraduate and graduate students who are completing, or who intend to complete, coursework

necessary to begin a career in teaching. In exchange for receiving a TEACH Grant, a grant recipient must agree to complete a teaching service obligation and must regularly provide documentation of his or her progress toward satisfying the service obligation. If a grant recipient fails to complete the service obligation or does not meet requirements for documenting the service obligation, the TEACH Grants that the individual received are converted to a Direct Unsubsidized Loan that must be repaid, with interest charged from the date of each TEACH Grant disbursement.

The regulations govern when a TEACH Grant will be converted to a Direct Unsubsidized Loan, as well as provide for annual notifications from the Secretary to the recipient regarding the status of a recipient's TEACH Grant service obligation. Under the regulations, a TEACH Grant recipient can request conversion if the recipient decides not to fulfill the TEACH Grant obligations for any reason or if the recipient fails to begin or maintain qualifying teaching service within a timeframe to complete the service obligation in the requisite eight-year period. Additionally, the regulations describe the notifications the Secretary will annually send to all TEACH Grant recipients regarding the service obligation requirements.
