SUPPLEMENTARY INFORMATION: Federal Employees' Retirement System (FERS)

annuitants who are not retired on disability and are not yet age 62 may be eligible for a supplement to the FERS annuity. The supplement approximates the portion of full career Social Security benefits earned while under FERS and ends at age 62. Like Social Security benefits, the annuity supplement is subject to an earnings limitation. Accordingly, RI 92-22 is used to obtain the annual earned income of certain FERS annuitants to determine each annuitant's eligibility to continue receiving an annuity supplement.
