[Investigation Nos. 731-TA-1374-1376 (Review)]

Citric Acid and Certain Citrate Salts from Belgium, Colombia, and Thailand; Notice of Commission Determinations to Conduct Full Five-Year Reviews

AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice that it will proceed with full reviews pursuant to the Tariff Act of 1930 to determine whether revocation of the antidumping duty orders on citric acid and certain citrate salts from Belgium, Colombia, and Thailand would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. A schedule for the reviews will be established and announced at a later date.

DATES: September 5, 2023.

SUPPLEMENTARY INFORMATION: On September 5, 2023, the Commission determined that it should proceed to full reviews in the subject five-year reviews pursuant to section 751(c) of the Tariff Act of 1930 (19 U.S.C. 1675(c)). The Commission found that the domestic interested party group response and the respondent interested party group response from Belgium to its notice of institution (88 FR 35923, June 1, 2023) were adequate, and determined to conduct a full review of the order on imports from Belgium. The Commission also found that the respondent interested party group responses from Colombia and Thailand were inadequate but determined to conduct full reviews of the orders on imports from those countries in order to promote administrative efficiency in light of its determination to conduct a full review of the order with respect to Belgium. A record of the Commissioners' votes will be available from the Office of the Secretary and at the Commission's website.

AUTHORITY: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: September 21, 2023.
