SUPPLEMENTARY INFORMATION:

Background

On August 30, 2023, a correction to the “Actual Production History (APH) and Other Crop Insurance Transparency” was published at 88 FR 59789 revising several

references to subpart G and production reporting requirements for producers to report “current” year production rather than “previous” year production in various Crop Provisions. That correction inadvertently failed to revise the applicable crop year in the introductory text of the Arizona-California Citrus, California Avocado, Macadamia Nut and Texas Citrus Fruit Crop Provisions. This document makes those corrections.
