**SUPPLEMENTARY INFORMATION:** MSHA issues certifications, qualifications and approvals to the nation's miners to conduct specific work within the mines. Miners requiring qualification or certification from MSHA will register for an "MSHA Individual Identification Number" (MIIN). MSHA uses this unique number in place of individual SSNs for all MSHA collections. The MIIN identifier fulfills Executive Order 13402, Strengthening Federal Efforts Against Identity Theft, which requires Federal agencies to better secure government held data. For additional substantive information about this ICR, see the related notice published in the *Federal Register* on May 31, 2023 (88 FR 34896).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. *See* 5 CFR 1320.5(a) and 1320.6.
