Abstract: This collection, currently approved by OMB under control number 1810-0576, covers the consolidated State plan (previously known as the consolidated State application), as well as assessment peer review guidance. Section 8302 of the ESEA, as amended by the ESSA, permits each SEA, in consultation with the Governor, to apply for program funds through submission of a consolidated State plan (in lieu of individual program State plans). The purpose of consolidated State plans as defined in ESEA is to improve teaching and learning by encouraging greater cross-program coordination, planning, and service delivery; to enhance program integration; and to provide greater flexibility and less burden for State educational agencies. This is a request for extension without change for this collection.
