A. Overview of Information Collection

Title of Information Collection: Manufactured Home Construction and Safety Standards Act Park Model RV Exemption Notice.

OMB Approval Number: 2502–0616.

OMB Expiration Date: January 31, 2024.

Type of Request: Revision of a currently approved collection.

Form Number: None.

Description of the need for the information and proposed use: For recreational vehicles that are exempt from HUD regulation as manufactured homes, HUD requires certification with either the American National Standards Institute’s (ANSI) standard for Park Model Recreational Vehicles (PMRV), A119.5–15 or the National Fire Protection Association’s NFPA 1192, Standard on Recreational Vehicles, 2015 Edition. PMRVs built to ANSI A119.5–15 may exceed the RV exemption’s 400 square foot threshold; a manufacturer must post notice in the home that the structure is only designed for recreational purposes and is not designed as a primary residence or for permanent occupancy. The Recreation Vehicle Industry Association’s (RVIA) current seal does not satisfy HUD’s standard for the manufacturer’s notice. HUD requirements provide specifics regarding the content and prominence of the notice and which requires the

notice to be prominently displayed in the unit and delivered to the consumer before the sale transaction is complete, regardless of whether the transaction occurs online or in-person. PMRV manufacturers will satisfy this requirement with two printed sheets of paper per PMRV: One in the kitchen, and one delivered to the consumer before the transaction.

Respondents: Business or other for-profit.

Estimated Number of Respondents: 25.

Estimated Number of Responses: 4,480 per annum.

Frequency of Response: Approximately 179.

Average Hours per Response: 20 seconds.

Total Estimated Burden: 25 hours.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
- (5) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

HUD encourages interested parties to submit comments in response to these questions.

C. Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. chapter 35.
