SUPPLEMENTARY INFORMATION:

Description: The Deficit Reduction Act of 2005 amended section 452 of the Social Security Act to authorize the Health and Human Services Secretary, through the Federal Parent Locator Service, to conduct comparisons of information concerning individuals owing past-due child support with information maintained by insurers (or their agents) concerning insurance claims, settlements, awards, and payments. On a daily basis, OCSS sends the results of the insurance data match in an "Insurance Match Response Record" to child support agencies, that use the insurance data matches to collect past-due support from the insurance proceeds. OCSS incorporated a separate burden calculation for respondents opting to electronically report quarterly.

Respondents: Insurers or their agents, including the U.S. Department of Labor and state agencies administering workers' compensation programs, and the Insurance Services Office.
