B. Submitting Comments

The NRC encourages electronic comment submission through the **Federal rulemaking website** (<https://www.regulations.gov>). Please include Docket ID **NRC-2023-0056**, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* 10 CFR part 19, "Notices, Instructions, and Reports to Workers: Inspection and Investigations."
2. *OMB approval number:* 3150-0044.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not applicable.

5. *How often the collection is required or requested:* As necessary in order that adequate and timely reports of radiation exposure be made to individuals involved in applicable NRC-licensed activities.

6. *Who will be required or asked to respond:* Licensees authorized to receive, possess, use, or transfer material licensed by the NRC.

7. *The estimated number of annual responses:* 1,889,382 (7 Reporting + 18,200 Recordkeeping + 1,871,174.88 Third-party disclosures).

8. *The estimated number of annual respondents:* 18,200 (2,200 NRC + 16,000 Agreement States).

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 544,899 (3.5 Reporting + 18,200 Recordkeeping + 521,337.9 Third-party disclosures + 5,358 One-time burden).

10. *Abstract:* Part 19 of title 10 of the *Code of Federal Regulations* establishes requirements for notices, instructions, and reports by licensees and regulated entities to individuals participating in NRC-licensed and regulated activities and options available to these individuals in connection with Commission inspections of licensees and regulated entities, and to ascertain compliance with the provisions of the Atomic Energy Act of 1954, as amended, titles II and IV of the Energy Reorganization Act of 1974, and regulations, orders, and licenses thereunder. The regulations in this part also establish the rights and responsibilities of the Commission and individuals during interviews compelled by subpoena as part of the agency's inspections or investigations under section 161c of the Atomic Energy Act of 1954, as amended, on any matter within the Commission's jurisdiction.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.

2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: November 7, 2023.

For the Nuclear Regulatory Commission.

David C. Cullison,
NRC Clearance Officer,
Office of the Chief Information Officer.
