Agenda: The EAC and TGDC members will hold an annual meeting to discuss program updates for EAC Testing and Certification and the National Institute of Standards and Technology (NIST) Voting Program. Section 221 of the Help America Vote Act (HAVA) of 2002 (52 U.S.C. §20971(b)) requires that the EAC to adopt voluntary voting system guidelines, and to provide for the testing, certification, decertification, and recertification of voting system hardware and software.

The TGDC was established in accordance with the requirements of Section 221 of the Help America Vote Act of 2002 (Public Law 107-252, codified at 52 U.S.C. 20961), to act in the public interest to assist the Executive Director of the EAC in the development of voluntary voting system guidelines.

This meeting will be open to the public.

Camden Kelliher,

Deputy General Counsel, U.S. Election Assistance Commission.
