## B. Submitting Comments

The NRC encourages electronic comment submission through the **Federal rulemaking website** (<https://www.regulations.gov>). Please include Docket ID **NRC-2023-0102**, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

## II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* Comprehensive Decommissioning Program, Annual Site List and Point of Contact.
2. *OMB approval number:* 3150-0206.
3. *Type of submission:* Extension.

4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* Annually.
6. *Who will be required or asked to respond:* All Agreement States who have signed Section 274(b) Agreements with the NRC.
7. *The estimated number of annual responses:* 39 (20 responses from Agreement States with sites of interest + 19 responses from Agreement States with no sites of interest).
8. *The estimated number of annual respondents:* 39 (20 responses from Agreement States with sites of interest + 19 responses from Agreement States with no sites of interest).
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 49.5 (40 hours from Agreement States with sites of interest + 9.5 hours from Agreement States with no sites of interest).
10. *Abstract:* Agreement States will be asked to provide a list of sites undergoing decommissioning and point of contact information for uranium recovery and complex materials sites undergoing decommissioning that are regulated by the Agreement States. The information request will allow the NRC to compile, in a centralized location, a list of facilities and points of contact who can provide information regarding Agreement State sites undergoing decommissioning in the United States. This does not apply to information, such as trade secrets and commercial or financial information provided by the Agreement States, that is considered privileged or confidential.

### **III. Specific Requests for Comments**

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.
2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: November 16, 2023.

For the Nuclear Regulatory Commission.
