Human remains representing, at minimum, one individual were collected at the Flandreau Indian School in Moody County, SD. The human remains are hair clippings collected from one individual identified as "Sioux" who was recorded as being 16 years old. George E. Peters took

the hair clippings at the Flandreau Indian School between 1930 and 1933. Peters sent the hair clippings to George Woodbury, who donated the hair clippings to the PMAE in 1935. No associated funerary objects are present.

Determinations

Pursuant to NAGPRA and its implementing regulations, and after consultation with the appropriate lineal descendants, Indian Tribes, and Native Hawaiian organizations, the PMAE has determined that:

- The human remains described in this notice represent the physical remains of one individual of Native American ancestry.
