Title: Conflicting Interests Certification for Proprietary Schools, VA Form 22-1919.

OMB Control Number: 2900-0657.

Type of Review: Revision of a currently approved collection.

Abstract: The Department of Veterans Affairs (VA) is authorized to pay education benefits to Veterans and other eligible persons pursuing approved programs of education under chapters 30, 31, 32, 33, and 35 of title 38, U.S.C., and chapter 1606 of title 10, U.S.C., sections 903 of Public Law 96-342, the National Call to Service provision of Public Law 107-314, and the Omnibus Diplomatic Security and Antiterrorism Act of 1986.

Schools are required to submit information necessary to determine if their programs of training are approved for the payment of VA educational assistance. This specified information is submitted either to VA or to the State Approving Agency (SAA) having jurisdiction over that school. Certain schools are considered "proprietary" schools. A proprietary educational institution, as defined in 38 Code of Federal Regulations (CFR)

21.4200(z), is a private institution legally authorized to offer a program of education in the state where the institution is physically located. Section 3683 of title 38, U.S.C., and sections of 38 CFR establish conflict of interest restrictions related to proprietary schools. The VA Form 22-1919 is the instrument VA has implemented to address these restrictions.

(a) VA Form 22-1919 is only used to collect information on two issues:

(i) Section 3683 of title 38, U.S.C., prohibits employees of VA and the SAA from owning any interest in an educational institution operated for-profit. In addition, the law prohibits VA or SAA employees from receiving any wages, salary, dividends, profits, or gifts from private for-profit schools in which an eligible person is pursuing a program of education under an educational assistance program administered by VA. In addition, the law prohibits VA employees from receiving any services from these schools. These provisions may be waived if VA determines that no detriment will result to the government, or to Veterans or eligible persons enrolled at that private for-profit school. Item 1 of VA Form 22-1919 collects the name and title of affected VA and SAA employees known by the President (or Chief Administrative Official) of the school, as well as a description of these employees' association with that school.

(ii) Sections 21.4202(c), 21.5200(c), 21.7122(e)(6), and 21.7622(f)(4)(iv) of title 38 of the CFR prohibit the approval of educational assistance from VA for the enrollment of a Veteran or eligible person in any proprietary school where the trainee is an official authorized to sign certifications of enrollment. Item 2 of VA Form 22-1919 collects the following information for each certifying official, owner, or officer who receives VA educational assistance based on an enrollment in that proprietary school: the name and title of these employees; VA file numbers; and dates of enrollment at the proprietary school.

(b) VA only collects this information at the time one (or more) of these events occurs:

- (i) The initial approval of a program or course at a proprietary for-profit school;
- (ii) Any change of ownership of the school (either reported by the school or found upon review of a school's records during VA's compliance survey);
- (iii) A change in proprietary status (from non-proprietary to proprietary, or from non-profit to profit status). When the SAA, or VA acting as the SAA, visits the school in connection with the school's request for approval of its program(s), the representative has either the school's President or chief administrative official sign VA Form 22-1919. VA's Education Liaison Representative (ELR) will associate the completed VA Form 22-1919 with the other documentation compiled for approval of the school's program(s) and will retain this information in the approval folder. The approval folder is retained until such time as the SAA or VA withdraws approval of all courses at the school. All information in the approval folder is then destroyed according to established record control schedules.
