*Affected Public:* Businesses or other for-profit.

*Estimated Frequency of Response:* On occasion; Quarterly.

*Description:* The information collection requirements ensure that institutions conduct their operations in a safe and sound manner and in accordance with applicable Federal banking law and regulations. The collections of information provide needed information for examiners and offer protections for institutions. The collections are necessary for regulatory and examination purposes and for national banks to ensure their compliance with Federal law and regulations.

The information collection requirements are as follows:

- *Investment in national bank or Federal savings association premises-* A national bank or Federal savings association may invest in banking premises and other premises-related investments, loans, or indebtedness by filing an application for prior approval

whenever its investment in bank premises will cause it to exceed its capital stock. The application must describe the present and proposed investment and the business reason for exceeding the limit. A bank with a composite 1 or 2 CAMELS rating entering a transaction that increases its aggregate bank premises investment to not more than 150 percent of its capital and surplus may proceed without prior OCC approval but must provide an after-the-fact notice. 12 CFR 5.37.

- *Sale of money orders at nonbanking outlets*- A national bank may designate bonded agents to sell the bank's money orders at nonbanking outlets. The responsibility of both the bank and its agent should be defined in a written agreement setting forth the duties of both parties and providing for remuneration of the agent. 12 CFR 7.1014.
- *Tax equity finance transactions*- Written requests are required for waiver to participate in a renewable energy tax equity finance transaction exceeding the aggregate investment limit. Prior written notification to OCC is required for each renewable energy tax equity finance transaction. 12 CFR 7.1025.
- *Payment systems*- Thirty (30) days advance written notice is required before joining a payment system that would expose the institution to open-ended liability. After-the-fact written notice must be filed within 30 days of becoming a member of a payment system that does not expose the institution to open-ended liabilities with certain representations. Both notices must include safety and soundness representations. 12 CFR 7.1026.
- *Derivatives activities*- Thirty (30) days prior written notice is required before engaging in certain derivatives hedging activities, expanding the bank's derivatives hedging activities to include a new category of underlying for derivatives transactions, engaging in certain customer-driven financial intermediation derivatives activities, and expanding the bank's customer-driven financial intermediation derivatives activities to include a new category of underlyings specified in the regulation. 12 CFR 7.1030.

- *Corporate governance procedures-Other sources of guidance-* A national bank shall designate in its bylaws the body of law selected for its corporate governance procedures. 12 CFR 7.2000(b).
- *State corporate governance-* Requests for OCC's staff position on ability of a national bank to engage in a particular State corporate governance procedure must include name, citations, discussion of similarly situated State banks, identification of Federal banking statutes and regulations, and analysis of consistency with statutes, regulations, and safety and soundness. 12 CFR 7.2000(d).
- *Honorary directors or advisory boards* – Any listing of a national bank's honorary or advisory directors must distinguish between those directors and the bank's board of directors or indicate their advisory status. 12 CFR 7.2004.
- *Indemnification of institution-affiliated parties – written agreement required for advancement* – A written agreement that an IAP will reimburse the institution for any portion of non-reimbursed indemnification that the IAP is found not entitled to before advancing funds to an IAP. 12 CFR 7.2014(c).
- *Issuing stock in certificate form*– National banks must include certain information, signatures, and seal when issuing stock in certificate form. 12 CFR 7.2016.
- *Staggered terms for national bank directors*– Any national bank may adopt bylaws that provide for staggering the terms of its directors. National banks must provide the OCC with copies of any bylaws so amended. 12 CFR 7.2024(a).
- *Size of bank board* – A national bank seeking to increase the number of its directors must notify the OCC any time the proposed size would exceed 25 directors. 12 CFR 7.2024(c).

*Estimated Number of Respondents:* 1,727.

*Estimated Total Annual Burden:* 1,138 hours.

Comments submitted in response to this notice will be summarized and included in

the request for OMB approval. All comments will become a matter of public record.

Comments are invited on:

(a) Whether the collection of information is necessary for the proper performance of the functions of the OCC, including whether the information has practical utility;

(b) The accuracy of the OCC's estimate of the burden of the collection of information;

(c) Ways to enhance the quality, utility, and clarity of the information to be collected;

(d) Ways to minimize the burden of the collection on respondents, including through the use of automated collection techniques or other forms of information technology; and

(e) Estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
