

DEPARTMENT OF COMMERCE

**National Oceanic and Atmospheric Administration**

**[RTID 0648-XD614]**

**Fisheries of the Caribbean; Southeast Data, Assessment, and Review (SEDAR);**

**Public Meeting**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice of SEDAR 84 Data Workshop for U.S. Caribbean Yellowtail Snapper and Stoplight Parrotfish.

**SUMMARY:** The SEDAR 84 assessment process of U.S. Caribbean yellowtail snapper and stoplight parrotfish will consist of a Data Workshop, and a series of assessment webinars, and a Review Workshop.

**DATES:** The SEDAR 84 Data Workshop will be held from 8:30 a.m. on January 23, 2024, until 6 p.m. on January 25, 2024. The meeting sessions will be on January 23, 8:30 a.m. to 6 p.m., January 24, from 8:30 a.m. to 6 p.m., and January 25, from 8:30 a.m. to 6 p.m. All times are AST. The established times may be adjusted as necessary to accommodate the timely completion of discussion relevant to the assessment process. Such adjustments may result in the meeting being extended from or completed prior to the time established by this notice.

**ADDRESSES:**

*Meeting address:* The SEDAR 84 Data Workshop will be held at the Verdanza Hotel, 8020 Tartak Street, Isla Verde, Puerto Rico, 00979.

*SEDAR address:* 4055 Faber Place Drive, Suite 201, North Charleston, SC 29405.

**FOR FURTHER INFORMATION CONTACT:** Julie A. Neer, SEDAR Coordinator; phone: (843) 571-4366; email: [Julie.neer@safmc.net](mailto:Julie.neer@safmc.net).

**SUPPLEMENTARY INFORMATION:** The Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils, in conjunction with NOAA Fisheries and the Atlantic and Gulf States Marine Fisheries Commissions have implemented the Southeast Data, Assessment and Review (SEDAR) process, a multi-step method for determining the status of fish stocks in the Southeast Region. SEDAR is a multi-step process including: (1) Data/Assessment Workshop, and (2) a series of webinars. The product of the Data/Assessment Workshop is a report which compiles and evaluates potential datasets and recommends which datasets are appropriate for assessment analyses, and describes the fisheries, evaluates the status of the stock, estimates biological benchmarks, projects future population conditions, and recommends research and monitoring needs. Participants for SEDAR Workshops are appointed by the Gulf of Mexico, South Atlantic, and Caribbean Fishery Management Councils and NOAA Fisheries Southeast Regional Office, HMS Management Division, and Southeast Fisheries Science Center. Participants include data collectors and database managers; stock assessment scientists, biologists, and researchers; constituency representatives including fishermen, environmentalists, and NGO's; International experts; and staff of Councils, Commissions, and state and federal agencies.

The items of discussion in the Data Workshop are as follows:

An assessment data set and associated documentation will be developed during the workshop. Participants will evaluate proposed data and select appropriate sources for providing information on life history characteristics, catch statistics, discard estimates, length and age composition, and fishery dependent and fishery independent measures of stock abundance.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will be restricted to those issues specifically identified in this notice and

any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the intent to take final action to address the emergency.

**Special Accommodations**

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) at least 5 business days prior to the workshop.

Note: The times and sequence specified in this agenda are subject to change.

**Authority:** 16 U.S.C. 1801 *et seq.*

Dated: December 29, 2023.

**Diane M. DeJames-Daly,**

*Acting Deputy Director,*

*Office of Sustainable Fisheries,*

*National Marine Fisheries Service.*
