**Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change to Amend the Exchange’s Schedule of Fees at Equity 7 Sections 114 and 118**

January 3, 2024

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup>, and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on December 21, 2023, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. *Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change*

The Exchange proposes to amend the Exchange’s schedule of fees at Equity 7, Sections 114 and 118.

The text of the proposed rule change is available on the Exchange’s Website at <https://listingcenter.nasdaq.com/rulebook/nasdaq/rules>, at the principal office of the Exchange, and at the Commission’s Public Reference Room.

II. *Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. *Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. *Purpose*

On December 13, 2023, Nasdaq experienced a technical issue with its RASH order handling system. The issue involved a duplication of an internal order identification numbers, which impacted a subset of orders for some members, including unacknowledged orders, an inability to cancel open orders, intermittent port disconnects, missing execution reports, and mismatched execution reports.

Because Nasdaq's fee and rebate schedule in Equity 7, Sections 114 and 118 provide that members may achieve better pricing if they achieve certain specified volumes of activity during a given month (as measured by Consolidated Volume (defined below) and Average Daily Volume ("ADV")), the RASH issue may have impacted the ability of affected members to reach the required volumes. By way of illustration, a member with shares of liquidity provided in all securities through one of its Nasdaq Market Center market participant identifiers ("MPIDs") that represent more than 1.50% of the total consolidated volume reported to all consolidated transaction reporting plans by all exchanges and trade reporting facilities in equity securities of at least one round lot ("Consolidated Volume") during a month receives a rebate of \$0.00305 per share executed with respect to liquidity that it provides during the month through displayed quotes/orders. By contrast, members

providing lower volumes of liquidity receive lower rebates with respect to displayed quotes/order ranging from \$0.0020 to \$0.0030 per share executed. If a member had provided liquidity that represented slightly in excess of 1.50% of Consolidated Volume on each day of December 2023 other than December 13, but was prevented from reaching comparable levels on that date due to the RASH issue, it is possible that the rebate it would ultimately earn for the entire month would be lower than would otherwise have been the case. Similarly, under Equity 7, Section 114, a member may be entitled to receive an enhanced rebate under Nasdaq's Qualified Market Maker Program, Designated Liquidity Provider Program, or its NBBO Program, based on its achievement of certain Consolidated Volume or ADV criteria specified in the rule. The ability of a member to achieve these criteria may have also been affected by the RASH issue.

Accordingly, in order to ensure that fees and rebates are not adversely impacted by the RASH issue, Nasdaq proposes to exclude December 13, 2023 from calculations of Consolidated Volume and ADV made under Equity 7, Sections 114 and 118 if doing so would allow a member to achieve more favorable pricing than would be the case if the day were included. Thus, members that are unaffected by the RASH issue would not have the day arbitrarily excluded from their calculations. Nasdaq will perform all calculations needed to implement the change.

## 2. *Statutory Basis*

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>3</sup> in general, and furthers the objectives of Sections 6(b)(4) and 6(b)(5) of the Act,<sup>4</sup> in particular, in that it provides for the equitable allocation of reasonable dues, fees and other charges

among members and issuers and other persons using any facility, and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

Nasdaq believes that the proposed change is reasonable because it will allow members to receive December 2023 pricing that is based on either the exclusion, or the inclusion, of December 13, whichever is more favorable to the member. The proposed change is equitable and not unfairly discriminatory, because it will ensure that the fees and rebates applicable to members that were subject to the RASH issue are not adversely affected by the issue.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. The change will help to ensure that members that were affected by the RASH issue are not required to pay higher fees, or receive lower rebates, during December 2023 than would otherwise be the case. Accordingly, Nasdaq believes that the proposed changes will protect members from incurring unanticipated charges.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others*

No written comments were either solicited or received.

*III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action*

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.<sup>5</sup>

---

<sup>5</sup> 15 U.S.C. 78s(b)(3)(A)(ii).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is: (i) necessary or appropriate in the public interest; (ii) for the protection of investors; or (iii) otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.
