SUPPLEMENTARY INFORMATION: The Federal Emergency Management Agency's (FEMA's) Homeland Security Grant Program (HSGP) supports state, local, tribal, and territorial governments efforts to prevent terrorism and prepare the Nation for the threats and hazards that pose the greatest risk to the security of the United States. The HSGP provides funding to implement investments that build, sustain, and deliver the 32 core capabilities essential to achieving the National Preparedness Goal of a secure and resilient Nation. The building, sustainment, and delivery of these core capabilities are not exclusive to any single level of government, organization, or community, but rather, require the combined effort of the whole community. The HSGP supports core capabilities across the five mission areas of Prevention, Protection, Mitigation, Response, and Recovery based on allowable costs. HSGP is comprised of three grant programs: State Homeland Security Program (SHSP), Urban Area Security Initiative (UASI), and Operation Stonegarden (OPSG). Together, these grant programs fund a range of activities, including planning, organization, equipment purchase, training, exercises, and management and administration across all core capabilities and mission areas. The authorizing authority of the HSGP is section 2002 of the Homeland Security Act of 2002 (Pub. L. 107-296) (*See* 6 U.S.C. 603-609, as amended).

This revision of the information collection removes the OPSG Daily Activity Report, FEMA Form FF-207-FY-21-113 (formerly 089-0-27) that was created at the

behest of CBP to fulfill CBP's requirements under OPSG and is only used to collect information from the public by CBP. FEMA has previously included this instrument under this collection as a service to CBP, but including an instrument used by CBP under a collection granting FEMA the authority to collect information does not provide the proper service to CBP, FEMA or the public.

This proposed information collection previously published in the Federal Register on November 17, 2023, at 88 FR 80324 with a 60-day public comment period. No comments were received. The purpose of this notice is to notify the public that FEMA will submit the information collection abstracted below to the Office of Management and Budget for review and clearance.
