For an eligible employer, the section 45E credit is 50% of the qualified start-up costs for a tax year, up to \$500 for the tax year in which the plan is established or becomes effective and each of the two subsequent tax years. For an eligible employer, the section 45T credit is \$500 for the first tax year in which the automatic contribution arrangement is included in the plan and for each of the two subsequent tax years.
