OMB Control Number: 1845-NEW

Abstract: This is a request for a new information collection to collect programmatic and student information from participating institutions. This collection will cover the required statutory reporting for both the revised Second Chance Pell experiment and Prison Education Programs (PEPs) for confined or incarcerated individuals. Since schools participating in the Second Chance Pell experiment have three years to transition their programs under the experiment to comply with the PEP requirements, the data collected for the experiment and the PEP provisions is almost identical. The only difference is the specific information collected from institutions participating in the Second Chance Pell to

provide a status of their progress in converting their current programs under the experiment to be in compliance with the PEP provisions.
