Abstract of information available

A total of seven cultural items have been requested for repatriation. The sacred objects/objects of cultural patrimony are five basket hats, one basket with a lid, and one basket. The seven cultural items were removed from an unknown county and state, likely originating from Northern California and/or Southern Oregon. In 1983, a private individual donated five of the objects of cultural patrimony/sacred objects (four basket hats, one basket with lid) to DOMA. These are identified by DOMA catalog numbers 1983.006.003, 1983.006.004a, 1983.006.004b, 1983.006.005a-b, and 1983.006.059. In 2018, the estate of a private individual bequeathed two of

the objects of cultural patrimony/sacred objects (one basket hat and one basket) to DOMA. These are identified by DOMA catalog numbers 2018.052.022 and 2018.052.024. No information is available for any of the objects concerning the dates of creation, donor acquisition history, or previous treatments of hazardous substances.

Determinations

DOMA has determined that:

- The seven sacred objects/objects of cultural patrimony described in this notice are, according to the Native American traditional knowledge of an Indian Tribe or Native Hawaiian organization, specific ceremonial objects needed by a traditional Native American religious leader for present-day adherents to practice traditional Native American religion, and have ongoing historical, traditional, or cultural importance central to the Native American group, including any constituent sub-group (such as a band, clan, lineage, ceremonial society, or other subdivision).
- There is a reasonable connection between the cultural items described in this notice and the Resighini Rancheria, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, DOMA must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The DOMA is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in

this notice and to any other consulting parties.
