Proposal under OMB Delegated Authority to Extend for Three Years, Without Revision, the Following Information Collection

Collection title: Recordkeeping and Disclosure Requirements Associated with the CFPB's Regulation M.

Collection identifier: FR M.

OMB control number: 7100-0202.

General description of collection: The Consumer Leasing Act (CLA) and Regulation M require lessors uniformly to disclose to consumers the costs, liabilities, and terms of consumer lease transactions. The Dodd-Frank Wall Street Reform and Consumer Protection Act transferred rulemaking authority for the CLA to the CFPB except for certain motor vehicle dealers that are excluded from the CFPB's authority, which remain subject to the Board's Regulation M. The FR M is the Board's information collection associated with Regulation M. These disclosures are

provided to consumers before they enter lease transactions and in advertisements that state the availability of consumer leases on particular terms. The disclosures are intended to provide consumers with meaningful disclosures about the costs and terms of leases for personal property and enable consumers to compare the terms for a particular lease with those for other leases and, when appropriate, to compare lease terms with those for credit transactions.

Frequency: Event generated.

Respondents: The FR M panel comprises state member banks with assets of \$10 billion or less that are not affiliated with an insured depository institution with assets over \$10 billion (irrespective of the consolidated assets of any holding company); non-depository affiliates of such state member banks; and non-depository affiliates of bank holding companies that are not affiliated with an insured depository institution with assets over \$10 billion. Notwithstanding the foregoing, the Consumer Financial Protection Bureau, and not the Board, has supervisory authority for Regulation M with respect to automobile leasing over non-banks defined as “larger participants” in the automobile finance market pursuant to 12 U.S.C. 5514 (implemented by 12 CFR 1090.108).

Total estimated number of respondents: 3.

Total estimated annual burden hours: 17.¹

Board of Governors of the Federal Reserve System, March 4, 2024.

Michele Taylor Fennell,

Deputy Associate Secretary of the Board.
