1. Evaluate whether the proposed collection of information is necessary for the proper performance of functions of OPM, including whether the information will have practical utility;
2. Evaluate the accuracy of OPM's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology permitting electronic submissions of responses.

RI 20-63 is used by annuitants to elect a reduced annuity to provide a survivor annuity for a spouse acquired after retirement. RI 20-116 is a cover letter for RI 20-63 giving annuitants information about the cost for electing less than a maximum survivor annuity. This letter is used to supply information that may have been requested by the annuitant about the cost of electing less than the maximum survivor annuity. RI 20-117 is a cover letter for RI 20-63 giving information about the cost to elect a maximum survivor annuity.
