Abstract of information available

Based on the information available, human remains representing, at least, seven individuals have been reasonably identified. The four associated funerary objects are dog and deer bones. Samuel W. Garman removed the human remains and associated funerary objects from Brier Hill in St. Lawrence County, NY, in May of 1878. Garman presented the human remains and associated funerary objects to Alexander Agassiz, who donated them to the Peabody

Museum that same month. No information is available regarding the manner or time period of interment.

Cultural affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the human remains and associated funerary objects described in this notice.

Determinations

The PMAE has determined that:

- The human remains described in this notice represent the physical remains of seven individuals of Native American ancestry.
- The four objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a reasonable connection between the human remains and associated funerary objects described in this notice and the Oneida Indian Nation; Oneida Nation; Onondaga Nation; and the Saint Regis Mohawk Tribe.

Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the human remains and associated funerary objects in this notice to a requestor may occur on or after **[INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE FEDERAL REGISTER]**. If competing requests for repatriation are

received, the PMAE must determine the most appropriate requestor prior to repatriation.
