SUPPLEMENTARY INFORMATION: The agency received one comment in response to the sixty (60) day notice published in Federal Register volume 88 page 40844 on June 22, 2023. Upon publication of this notice, IAF will submit to OMB a request for approval of the following information collection.

SUMMARY FORM UNDER REVIEW

Title of Collection: Grantee Social Inclusion Consultation

Type of Review: New information collection.

OMB Control Number: Not assigned, new information collection.

Type of Respondent/Affected Public: IAF Grantees and non-grantees (women, youth, people with disabilities, Indigenous people, LGBTQ+ people and Afro-descendants)

Frequency: This is a one time data collection effort

Abstract: Currently, the IAF is soliciting comments concerning the information collection to carry out an equity gap analysis with grantees and underserved populations in Latin America and Caribbean countries where the IAF currently has grant programs. The quantitative and qualitative data collection, which is a priority identified in the IAF's Equity Action Plan, in compliance with Executive Order 13985, would serve to better understand the barriers those groups face to a) accessing IAF programming and b) achieving their development objectives. Findings will help the IAF adjust its practices to better support marginalized groups and the grantees who work with them, and to identify networks and platforms through which we can expand our outreach across marginalized populations.

Dated: March 21, 2024.

Associate General Counsel, Office of the General Counsel.
