SUPPLEMENTARY INFORMATION:

The meeting referenced above will be closed to the public in accordance with provisions set forth in Section 552b(c)(4) and (6), Title 5, U.S.C., and the Determination of the Director, Office of Strategic Business Initiatives, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, pursuant to 5 U.S.C. Section 1009(d) (Public Law 92-463, as amended).

Purpose: The Board of Scientific Counselors, National Center for Injury Prevention and Control (BSC, NCIPC) will: (1) conduct, encourage, cooperate with, and assist other appropriate public health authorities, scientific institutions, and scientists in the conduct of research, investigations, experiments, demonstrations, and studies relating to the causes and strategies

related to the prevention of injury, overdose, and violence; (2) assist States and other entities in preventing intentional and unintentional injuries, and to promote health and well-being; and (3) make recommendations of grants and cooperative agreements for research and prevention activities related to injury, overdose, and violence. The BSC, NCIPC makes recommendations regarding policies, strategies, objectives, and priorities and reviews progress toward injury, overdose, and violence prevention. The Board also provides advice on the appropriate balance of intramural and extramural research and provides guidance on the needs, structure, progress, and performance of intramural programs. Further, the Board provides guidance on extramural scientific program matters. Additionally, the Board provides second-level scientific and programmatic review of applications for research grants, cooperative agreements, and training grants related to injury, overdose, and violence prevention, and recommends approval of projects that merit further consideration for funding support. The Board also provides feedback and input on strategic plans, resources, and priority publications related to injury, overdose, and violence prevention.

Matters to be Considered: The closed meeting will focus on the secondary peer review of extramural research grant applications received in response to three (3) Notices of Funding Opportunity: RFA-CE-24-013 – “Research Grants to Identify Effective Community-Based Strategies for Overdose Prevention”; RFA-CE-24-029 – “Grants to Support New Investigators in Conducting Research Related to Preventing Interpersonal Violence Impacting Children and Youth”; and RFA-CE-24-034 – “Rigorous Evaluation of Policies for their Impacts on the Primary Prevention of Multiple Forms of Violence.” Agenda items are subject to change as priorities dictate.
