Abstract: The Office for Civil Rights (OCR) has enforcement responsibilities under several civil rights laws, including title VI of the Civil Rights Act of 1964, title IX of the

Education Amendments of 1972, section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, and the Boy Scouts of America Equal Access Act. To meet these responsibilities, OCR collects assurances of compliance from applicants for Federal financial assistance from, and applicants for funds made available through, the Department of Education, as required by regulations. These entities include, for example, State educational agencies, local education agencies, and postsecondary educational institutions. If a recipient violates one or more of these civil rights laws, OCR and the Department of Justice can use the signed assurances of compliance in an enforcement proceeding.
