Abstract: Authorized by the Historic Sites Act of 1935, as amended (54 U.S.C. The NPS uses the following forms to monitor the progress of each heritage area on the implementation of management plans and performance goals:

- 10–320 Annual Program Report—Part I Funding Report, NPS NHA Program Office uses the information collected to allocate funds, prepare the annual NPS Budget Justification, and respond to directives from Congress.
- 10–321 Annual Program Report— Part II Progress Report, NPS NHA Program Office and regional program offices use the information collected to track each heritage area management or coordinating entity’s progress on management plan implementation. The NPS uses the information in the annual program reports and publications to inform individual heritage area evaluations.
