

## **INTERNATIONAL DEVELOPMENT FINANCE CORPORATION**

### **2 CFR Chapter XVI**

#### **Nonprocurement Suspension and Debarment**

**AGENCY:** U.S. International Development Finance Corporation.

**ACTION:** Final rule.

**SUMMARY:** The U.S. International Development Finance Corporation (DFC) is issuing a final rule to implement its nonprocurement debarment and suspension regulations. With this regulatory action, DFC adopts Office of Management and Budget (OMB) regulations with some agency specific additions and clarifications. This final rule states what contracts are covered under this regulation, identifies the official authorized to grant exceptions to an excluded persons list, and states the person responsible for communicating requirements to both first and second tier program participants. Elements not addressed in this regulation are covered by the Governmentwide sections in the common rule.

**DATES:** This rule is effective May 30, 2024.

#### **SUPPLEMENTARY INFORMATION:**

##### **I. Background**

Executive Order 12549 (51 FR 6370, February 18, 1986) established a Governmentwide debarment and suspension system covering the full range of Federal procurement and nonprocurement activities, and established procedures for debarment and suspension from participation in Federal nonprocurement programs. Section 6 of the Executive order authorized OMB to issue guidelines to Executive departments and agencies that govern which programs and activities are covered by the Executive order, prescribe Governmentwide criteria and Governmentwide minimum due process procedures, and set

forth other related details for the effective administration of the guidelines. Section 3 directed agencies to issue implementing regulations that are consistent with OMB guidelines.

OMB issued an interim final guidance that implemented a common rule for Governmentwide Debarment and Suspension (Nonprocurement). This common rule is codified in part 180 of title 2 of the Code of Federal Regulations (70 FR 51864, August 31, 2005). In addition to restating and updating its guidance on nonprocurement debarment and suspension, the interim final guidance requires all Federal agencies to adopt a new approach to Federal agency implementation of the guidance. OMB requires each agency to issue a brief rule that: (1) Adopts the guidance, giving it regulatory effect for that agency's activities; and (2) states any agency-specific additions, clarifications, and exceptions to the Governmentwide policies and procedures contained in the guidance.

Under this system, a person who is debarred or suspended is excluded from Federal financial and nonfinancial assistance and benefits under Federal programs and activities. Debarment or suspension of a participant in a program by one agency is registered with the General Services Administration (GSA)-maintained System for Award Management (SAM) exclusion list and has Governmentwide, reciprocal effect on that participant's ability to obtain procurement and nonprocurement contracts.

DFC published its proposed rule regarding nonprocurement suspension and debarment on January 5, 2024 (89 FR 714). During the public comment period, we received two comments, which are addressed in §§ 1600.220 and 1600.890 (see the corrections published on January 22, 2024 (89 FR 3896), and March 8, 2024 (89 FR 16701)).

**Authority:** Sec. 2455, Pub. L. 103-355, 108 Stat. 3327 (31 U.S.C. 6101 note); E.O. 12549, 51 FR 6370, 3 CFR, 1986 Comp., p. 189; E.O. 12689, 54 FR 34131, 3 CFR, 1989 Comp., p. 235.

### **§ 1600.10 What does this part do?**

This part adopts the Office of Management and Budget (OMB) guidance in subparts A through I of 2 CFR part 180, as supplemented by this part, as the U.S. International Development Finance Corporation (DFC) regulations for non-procurement debarment and suspension. It thereby gives regulatory effect for DFC to the OMB guidance as supplemented

by this part. This part satisfies the requirements in section 3 of Executive Order 12549, “Debarment and Suspension” (3 CFR, 1986 Comp., p. 189); Executive Order 12689, “Debarment and Suspension” (3 CFR, 1989 Comp., p. 235); and section 2455 of the Federal Acquisition Streamlining Act of 1994, Public Law 103-355 (31 U.S.C. 6101 note).

**§ 1600.20 Does this part apply to me?**

This part and, through this part, pertinent portions of the OMB guidance in subparts A through I of 2 CFR part 180 (see table at 2 CFR 180.100(b)) apply to you if you are a --

- (a) Participant or principal in a “covered transaction” (see 2 CFR part 180, subpart B, and the definition of “non-procurement transaction” at 2 CFR 180.970);
- (b) Respondent in a DFC suspension or debarment action;
- (c) DFC suspending or debarring official; and
- (d) DFC investment, guarantee, insurance or grant official authorized to enter into any type of non-procurement transaction that is a covered transaction.

**§ 1600.30 What regulations must I follow?**

The DFC regulations that you must follow are the regulations specified in each applicable section of the OMB guidance in subparts A through I of 2 CFR part 180 as that section is supplemented by the section in this part with the same section number or by additional provisions with no corresponding section number. For any section of OMB guidance in subparts A through I of 2 CFR part 180 that has no corresponding section in this part, DFC regulations are those in the OMB guidance.

**Subpart A - General**

**§ 1600.137 Who in DFC may grant an exception to let an excluded person participate in a covered transaction?**

The Chief Executive Officer (CEO) of DFC or designee may grant an exception permitting an excluded person to participate in a particular covered transaction. If the CEO of

DFC or designee grants an exception, the exception must be in writing and state the reason(s) for deviating from the Governmentwide policy in Executive Order 12549.

## **Subpart B - Covered Transactions**

### **§ 1600.215 Which nonprocurement transactions are not covered transactions?**

In addition to the nonprocurement transactions which are not covered transactions under 2 CFR 180.215, any nonprocurement transaction entered into under a primary tier nonprocurement transaction that does not require DFC explicit prior consent is not a covered transaction under 2 CFR 180.215(g)(2).

### **§ 1600.220 What contracts and subcontracts are covered transactions?**

First-tier procurements (i.e., primary contracts) under a covered nonprocurement transaction are covered transactions. Although the OMB guidance at 2 CFR 180.220(c) allows a Federal agency to do so (see also optional lower tier coverage in the figure in the appendix to 2 CFR part 180), DFC does not extend coverage of nonprocurement suspension and debarment requirements beyond first-tier procurement under a covered nonprocurement transaction. Moreover, for purposes of determining whether a procurement contract is included as a covered transaction, the threshold in 2 CFR 180.220(b) is increased from \$25,000 to the “simplified acquisition threshold” as defined in 48 CFR 2.101.

## **Subpart C - Responsibilities of Participants Regarding Transactions**

### **§ 1600.332 What requirements must I pass down to persons at lower tiers with whom I intend to do business?**

You, as a participant, must include a term or condition in lower-tier transactions that are covered transactions, requiring lower-tier participants to comply with the OMB guidance in 2 CFR part 180, subpart C, as supplemented by this subpart.

## **Subpart D - Responsibilities of Federal Agency Officials Regarding Transactions**

### **§ 1600.437 What method do I use to communicate to a participant the requirements for participating in a covered transaction?**

To communicate to a participant the requirements described in 2 CFR 180.435, you must include provisions in the contractual documentation of the transaction to ensure compliance with 2 CFR part 180, subpart C, as supplemented by subpart C of this part. The provisions must also require the participant to include similar terms or conditions of compliance in lower-tier covered transactions.

### **Subparts E – F [Reserved]**

### **Subpart G – Suspension**

#### **§ 1600.765 How may I request reconsideration of my DFC suspension?**

(a) If the DFC suspending official issues a decision under 2 CFR 180.755 to continue your suspension after you present information in opposition to that suspension under 2 CFR 180.720, you can ask the suspending official to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter.

(b) A request for review under this section must be in writing; state the specific findings you believe to be in error; and include the reasons or legal bases for your position.

(c) The suspending official must notify you of their decisions under this section, in writing, using the notice procedures at 2 CFR 180.615 and 180.975.

### **Subpart H - Debarment**

#### **§ 1600.890 How may I request reconsideration of my DFC debarment?**

(a) If the DFC debarring official issues a decision under 2 CFR 180.870 to debar you after you present information in opposition to a proposed debarment under 2 CFR 180.815, you can ask the debarring official to reconsider the decision for material errors of fact or law that you believe will change the outcome of the matter.

(b) A request for review under this section must be in writing; state the specific findings you believe to be in error; and include the reasons or legal bases for your position.

(c) DFC may debar a person or entity for refusing to engage in efforts to remediate identified environmental, social, and human rights harm stemming from their activities,

including harm that may be identified through a DFC Office of Accountability complaints process.

(d) The debarring official must notify you of their decisions under this section, in writing, using the notice procedures at 2 CFR 180.615 and 180.975.

### **Subpart I - Definitions**
