Title: Relocation Assistance and Real Property Acquisition Regulations for Federal and Federally Assisted Programs.

Background: This program implements 42 U.S.C. 4602, concerning acquisition of real property and relocation assistance for persons displaced by Federal and federally assisted programs. It prohibits the provision of relocation assistance and payments to persons not legally present in the United States (with certain exceptions). The information collected consists of a certification of residency status from affected persons to establish eligibility for relocation assistance and payments. Displacing agencies will require each person who is to be displaced by a Federal or federally assisted project, as a condition of eligibility for relocation payments or advisory assistance, to certify they are lawfully present in the United States.

Respondents: Federal agencies, 50 State Transportation Departments, the District of Columbia, Puerto Rico, Guam, American Samoa, and the Virgin Islands, local government agencies, persons administering projects or programs and airport sponsors receiving financial assistance for expenditures of Federal funds on acquisition and relocation payments and required services to displaced persons that are subject to the Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, for file maintenance and for annual statistical reports.

Frequency: Annually.

Estimated Average Burden per Response: The estimated average burden per response varies. For the respondents, it takes 15 minutes to complete the relocation certification. It takes 1 hour for the file record keeping.

Estimated Total Annual Burden Hours: The estimated total annual burden hours are 10,000 hours, including the 2,000 hours for respondents and 8,000 for the file record keeping.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's

performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended; and 49 CFR 1.48.

Issued on: April 26, 2024.

Jazmyne Lewis,

Information Collection Officer.
