SUPPLEMENTARY INFORMATION:

Title: Highway Performance Monitoring System (HPMS).

OMB Control: 2125-0028.

Background: The HPMS data that is collected is used for management decisions that affect transportation, including estimates of the Nation's future highway needs and assessments of highway system performance. The information is used by the FHWA to develop and implement legislation and by State and Federal transportation officials to adequately plan, design, and administer effective, safe, and efficient transportation systems. This data is essential to the FHWA and Congress in evaluating the effectiveness of the Federal-aid highway program. The HPMS also provides mile and lane-mile components of the Federal-Aid Highway Fund apportionment formulae. The data that is required by the HPMS is continually reassessed and streamlined by the FHWA. The process has recently been updated to enable the transactional submission of many data items, thereby reducing the need to submit redundant data each year.

Respondents: State governments of the 50 States, the District of Columbia, and the Commonwealth of Puerto Rico.

Frequency: Annually.

Estimated Average Burden per Response: The estimated average burden per response for the annual collection and processing of the HPMS data is 2,000 hours for each State, the District of Columbia, and the Commonwealth of Puerto Rico.

Estimated Total Annual Burden Hours: The estimated total annual burden for all respondents is 104,000 hours.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FHWA's performance; (2) the accuracy of the estimated burdens; (3) ways for the FHWA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized, including the use of electronic technology, without reducing the quality of the

collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended; and 49 CFR 1.48.

Issued on: May 7, 2024.

Jazmyne Lewis,

Information Collection Officer.
