Agenda: The CISA Cybersecurity Advisory Committee will hold an in-person meeting on Wednesday, June 5, 2024, to discuss current CISA Cybersecurity Advisory Committee activities. The open session will include: public comment, briefings from all five CSAC subcommittees, and CSAC member deliberation and vote on several recommendations for the Director.

The Committee will also meet in a closed session from 9 a.m. to 12 p.m. EDT to participate in an operational discussion that will address areas of critical cybersecurity vulnerabilities and priorities for CISA. Government officials will share sensitive information with CSAC members on initiatives and future security requirements for assessing cyber risks to critical infrastructure.

Basis for Closure: In accordance with section 1009(d) of FACA and 5 U.S.C. 552b(c)(9)(B), The Government in the Sunshine Act, it has been determined that certain agenda items require closure, as the premature disclosure of the information that will be discussed would be likely to significantly frustrate implementation of proposed agency actions.

This agenda item addresses areas of CISA's operations that include critical cybersecurity vulnerabilities and priorities for CISA. Government officials will share sensitive information with CSAC members on initiatives and future security requirements for assessing cyber risks to critical infrastructure.

As the premature disclosure of the information that will be discussed would be likely to significantly frustrate implementation of proposed agency action, this portion of the meeting is required to be closed pursuant to section 1009(d) of FACA and 5 U.S.C. 552b(c)(9)(B).
