B. Submitting Comments

Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to <https://www.reginfo.gov/public/do/PRAMain>. Find this particular information collection by selecting "Currently under Review - Open for Public Comments" or by using the search function.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the OMB, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the NRC recently submitted a proposed collection of information to OMB for review entitled "Identity, Credential, and Access Management System." The NRC hereby informs potential respondents that an agency may not conduct or sponsor, and that a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The NRC published a *Federal Register* notice with a 60-day comment period on this information collection on February 13, 2024, 89 FR 10105.

1. *The title of the information collection:* Identity, Credential, and Access Management System.
2. *OMB approval number:* An OMB control number has not yet been assigned to this proposed information collection.
3. *Type of submission:* New.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* Once, at the time access is requested.

6. *Who will be required or asked to respond:* External partners and members of the public that have a need to use NRC's secure web-based applications.

7. *The estimated number of annual responses:* 250.

8. *The estimated number of annual respondents:* 250.

9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 62.5.

10. *Abstract:* The NRC collects information from external partners and members of the public that have a need to use NRC's secure web-based applications. An applicant can request an external partner digital credential using NRC's web-based credential enrollment system. Once the applicant has obtained an NRC digital credential, it can be used to access select NRC secure web-based applications directly over the internet. The information collected is limited to identity information required for credential issuance processes and includes: phone numbers, email addresses, physical mailing addresses, facial photographs, photo identity documents, date of birth, and identity information from a U.S. driver's license, U.S. Government PIV card, U.S. Passport, U.S. Military ID card, U.S. Military dependent's ID card, Permanent Resident card, Alien Registration Receipt card (Form I-551) or Employment Authorization Document (Form I-766).

Dated: May 16, 2024.
