SUPPLEMENTARY INFORMATION:

Agenda:

The Groundfish Advisory and Recreational Panels will meet jointly to update industry with share perspectives on fishery performance the past year and considerations

for the current fishing year, with a focus on U.S./CA stocks, and other stocks as time permits. They will also review draft alternatives for cod stock unit definitions (for Amendment 25), review work to develop options to prorate catch limits from four cod stock units to two current management units (for Framework 69), receive an update on analysis of fishery data, and receive update from public workshops. The Panels will receive a report on Framework Adjustment 69/Specifications and Management Measures (to be initiated) that is anticipated to include status determination criteria for cod stocks, fishing years (FY) 2025-2027 specifications for Eastern Gulf of Maine (GOM) cod, Western GOM cod, Georges Bank (GB) cod, Southern New England cod, GOM haddock, GB haddock, American plaice, witch flounder, pollock, and Atlantic halibut, FY2025-2026 U.S./Canada total allowable catches (TACs) for, Eastern GB cod, Eastern GB haddock, and GB yellowtail flounder, revisions to sub-annual catch limits and accountability measures triggers for yellowtail flounder (Southern New England/Mid-Atlantic and Georges Bank) and windowpane flounder (northern and southern) in the scallop fishery, and sector reporting requirements. They will also receive an update on information the Habitat and Scallop Plan Development Teams are considering as they develop alternatives for the Northern Edge Habitat-Scallop framework, with a focus on approaches to minimize impacts to juvenile cod and their habitats as well as make recommendations to the Groundfish Committee, as appropriate.

Other business will be discussed as necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also

should be aware that the meeting will be recorded. Consistent with 16 U.S.C 1852, a copy of the recording is available upon request.
