Affected Public: Applicants to NEH grant programs, reviewers of NEH grant applications, and NEH award recipients.

Frequency of Collection: On occasion.

Total Respondents: 6,767.

Total Responses: 6,767.

Estimated Time per Response: Varies according to type of information collection.

Estimated Total Burden Hours: 296,433.

Request for Comments

NEH will make comments submitted in response to this notice, including names and addresses where provided, a matter of public record. NEH will summarize the contents and include them in the request for OMB approval. We are requesting comments on all aspects of this clearance request, including (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.
