This notice is being published less than 15 days from the meeting date due to exceptional circumstances. The technical and scientific peer review of applications assigned to this committee must take place urgently so that awards in support of the Climate Change and Health Research Centers program, which is supported by a dozen NIH Institutes and Centers, can be made by the end of the fiscal year. If the meeting is not held on June 3-4, 2024, committee members with the requisite scientific expertise will be unable to attend due to scheduling conflicts.
