SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. Abstract of information available

A total of three cultural items have been requested for repatriation. The three sacred objects are a pipe, a pipe and pipe case, and a dance hat. They were collected in 1900 by Stewart Culin in the Hoopa Valley. At the request of the Wiyot Tribe the cultural items were tested to determine whether they had been treated with contaminants. Trace amounts of bromine were found on the pipe case. Its presence may be due to a past pesticide application or may be due to the once live animal's exposure to bromine in its natural environment. There is no known presence of other potentially hazardous substances.

Determinations

The Field Museum has determined that:

- The three sacred objects described in this notice are specific ceremonial objects needed by a traditional Native American religious leader for present-day adherents to practice traditional Native American religion, according to the Native American traditional knowledge of a lineal descendant, Indian Tribe, or Native Hawaiian organization.
- There is a reasonable connection between the cultural items described in this notice and the Wiyot Tribe, California.

Requests for Repatriation

Additional, written requests for repatriation of the cultural items in this notice must be sent to the authorized representative identified in this notice under ADDRESSES. Requests for repatriation may be submitted by any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or a culturally affiliated Indian Tribe or Native Hawaiian organization.

Repatriation of the cultural items in this notice to a requestor may occur on or after [INSERT DATE 30 DAYS AFTER DATE OF PUBLICATION IN THE **FEDERAL REGISTER**]. If competing requests for repatriation are received, the Field Museum must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the cultural items are considered a single request and not competing requests. The Field Museum is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice and to any other consulting parties.
