

SURFACE TRANSPORTATION BOARD

[Docket No. AB 290 Sub-No. (414X)]

**Northern Southern Railway Company—Abandonment Exemption—in Pitt County,
N.C.**

Norfolk Southern Railway Company (NSR) has filed a verified notice of exemption pursuant to 49 CFR part 1152, subpart F—*Exempt Abandonments* to abandon an approximately one-mile rail line, extending from West 14th Street northward to Dickinson Avenue in Pitt County, N.C. (the Line). The Line contains no mileposts and traverses U.S. Postal Service Zip Code 27834.

NSR has certified that: (1) no local traffic has moved over the Line for at least two years; (2) any overhead traffic can be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line is pending with either the Surface Transportation Board (Board) or any U.S. District Court or has been decided in favor of a complainant within the two-year period; and (4) the requirements at 49 CFR 1105.7(b) and 1105.8(c) (notice of environmental and historic report), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received,¹ the exemption will be effective on December 20, 2024, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues must be filed by November 29, 2024.² Formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2) and interim trail use/railbanking requests under 49 CFR 1152.29 must be filed by December 2, 2024.³ Petitions to reopen and requests for public use conditions under 49 CFR 1152.28 must be filed by December 10, 2024.

All pleadings, referring to Docket No. AB 290 (Sub-No. 414X), must be filed with the Surface Transportation Board either via e-filing on the Board's website or in writing addressed to 395 E Street, S.W., Washington, DC 20423-0001. In addition, a copy of each pleading must be served on NSR's representative, William A. Mullins, Mullins Law Group PLLC, 2001 L Street, N.W., Suite 720, Washington, DC 20036.

If the verified notice contains false or misleading information, the exemption is void ab initio.

NSR has filed a combined environmental and historic report that addresses the potential effects, if any, of the abandonment on the environment and historic resources. OEA will issue a Draft Environmental Assessment (Draft EA) by November 25, 2024. The Draft EA will be available to interested persons on the Board's website, by writing to

¹ Persons interested in submitting an OFA must first file a formal expression of intent to file an offer, indicating the type of financial assistance they wish to provide (i.e., subsidy or purchase) and demonstrating that they are preliminarily financially responsible. *See* 49 CFR 1152.27(c)(2)(i).

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. *See Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Filing fees for OFAs and trail use requests can be found at 49 CFR 1002.2(f)(25) and (27), respectively.

OEA, or by calling OEA at (202) 245-0294. If you require an accommodation under the Americans with Disabilities Act, please call (202) 245-0245. Comments on environmental and historic preservation matters must be filed within 15 days after the Draft EA becomes available to the public.

Environmental, historic preservation, public use, or interim trail use/railbanking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NSR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by NSR's filing of a notice of consummation by November 20, 2025, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available at www.stb.gov.

Decided: November 14, 2024.

By the Board, Valerie O. Quinn, Acting Director, Office of Proceedings.

Tammy Lowery,

Clearance Clerk.
