CMS-359/CMS-360 Comprehensive Outpatient Rehabilitation Facility (CORF) Certification and Survey Forms

Under the PRA (44 U.S.C. 3501-3520), Federal agencies must obtain approval from the Office of Management and Budget (OMB) for each collection of information they conduct or sponsor. The term "collection of information" is defined in 44 U.S.C. 3502(3) and 5 CFR 1320.3(c) and includes agency requests or requirements that members of the public submit

reports, keep records, or provide information to a third party. Section 3506(c)(2)(A) of the PRA requires Federal agencies to publish a 60-day notice in the **Federal Register** concerning each proposed collection of information, including each proposed extension or reinstatement of an existing collection of information, before submitting the collection to OMB for approval. To comply with this requirement, CMS is publishing this notice.

### *Information Collections*

1. *Type of Information Collection Request:* Reinstatement with change of a previously approved information collection; *Title of Information Collection:* Comprehensive Outpatient Rehabilitation Facility (CORF) Certification and Survey Forms; *Use:* This information collection is for the reinstatement of the CMS-359 and CMS-360 forms. The purpose of these forms is described below. The form CMS-359 is an application for health care providers that seek to participate in the Medicare program as a Comprehensive Outpatient Rehabilitation Facility (CORF). The form initiates the process for facilities to become certified as a CORF and it provides the CMS Location and State Survey Agency (SA) staff identifying information regarding the applicant that is stored in the Automated Survey Processing Environment (ASPEN) system.

The form CMS-360 is a survey tool used by the SAs to record information in order to determine a provider's compliance with the CORF Conditions of Participation (COPs) and to report this information to the Federal Government. The form includes basic information on the COP requirements, check boxes to indicate the level of compliance, and a section for recording notes. CMS has the responsibility and authority for certification decisions which are based on provider compliance with the COPs and this form supports this process. *Form Number:* CMS-359/360 (OMB control number: 0938-0267); *Frequency:* Occasionally; *Affected Public:* Private Sector (Business or other for-profits); *Number of Respondents:* 179; *Number of Responses:* 31; *Total Annual Hours:* 241.
