AGENCY: Administration for Native Americans, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Administration for Children and Families (ACF) is requesting a 3-year extension of the Administration for Native Americans Project Outcome Assessment Survey (OMB #: 0970-0379, expiration 6/30/2025). The survey was revised based on a review by the Administration for Native Americans (ANA) and feedback from grantees, which identified some data elements that could be eliminated and areas that could be clarified.

SUPPLEMENTARY INFORMATION:

Description: The information collected by the Project Outcome Assessment Survey is needed for two main reasons - 1) to collect crucial information required to report on ANA's established Government Performance and Results Act (GPRA) measures and 2) to properly abide by ANA's congressionally mandated statute (42 U.S.C. 2991 *et seq.*) found within the Native American Programs Act of 1974, as amended, which states that ANA will evaluate projects assisted through ANA grant dollars "including evaluations that describe and measure the impact of such projects, their effectiveness in achieving stated goals, their impact on related programs, and their structure and mechanisms for delivery of services." The survey information is requested once at the end of a project grant period. The information collected with this survey will fulfill ANA's statutory

requirement and will also serve as an important planning and performance tool for ANA.

There are minor revisions proposed to the survey to align with ANA's current requirements of grant recipients and eliminate duplicative data elements.

Respondents: Tribal Governments, Native American nonprofit organizations, and Tribal Colleges and Universities.
