Written comments and suggestions from the public and affected agencies should address one or more of the following four points: (1) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) suggestions to enhance the quality, utility, and clarity of the information to be collected; and (4) suggestions to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of responses. The comments that are submitted will be summarized and included in the request for approval. All comments will become a matter of public record.

Overview of This Information Collection

Title: Arrival and Departure Record and Electronic System for Travel Authorization (ESTA).

OMB Number: 1651-0111.

Form Number: I-94/I-94W.

Current Actions: Revision.

Type of Review: Revision.

Affected Public: Individuals.

Abstract: Travelers seeking to enter under the Visa Waiver Program (VWP) by air or sea, are required to receive a travel authorization through the Electronic System for Travel Authorization (ESTA) prior to travel to the United States. ESTA is a mobile and web-based application and screening system used to determine whether certain noncitizens are eligible to travel to the United States under the VWP in the air, sea, and land environments. Travelers who are not eligible to travel under VWP may apply for a visa at a U.S. Embassy or Consular Office.

ESTA was provided for by the Secure Travel and Counterterrorism Partnership Act of 2007 (section 711 of the Implementing Recommendations of the 9/11 Commission Act of 2007, also known as the "9/11 Act," Public Law 110-53) which requires that the Secretary of Homeland Security, in consultation with the Secretary of State, develop and implement an electronic system which shall collect such biographical and other information as the Secretary of Homeland Security determines necessary to determine, in advance of travel, the eligibility of the noncitizen to

travel to the United States and whether such travel poses a law enforcement or security risk.

The information collected on U.S. Customs and Border Protection (CBP) Forms I-94 (Arrival/Departure Record) and I-94W (Nonimmigrant Visa Waiver Arrival/Departure Record) are included in the manifest requirements imposed by Section 231 of the Immigration and Nationality Act (INA). CBP previously required noncitizens to prepare these forms while enroute to the United States and presented upon arrival at a sea or air port of entry within the United States. It is the duty of the master or commanding officer, or authorized agent, owner, or consignee of the vessel or aircraft, having any noncitizen on board, to deliver lists or manifests of the persons on board such vessel or aircraft to CBP officers at the port of arrival. However, now CBP now gathers I-94 data from existing automated sources such as the Advance Passenger Information System (APIS) in lieu of requiring passengers arriving by air or sea to submit a paper I-94 upon arrival. Currently, CBP issues electronic I-94s to most nonimmigrants entering the United States at land border ports of entry. Travelers entering the United States at a land border may apply for a provisional electronic I-94 via the I-94 public website. Travelers can access and print their electronic I-94 record via the website <https://i94.cbp.dhs.gov/i94/#/home>.

CBP is working to fully automate all I-94 processes.

Travelers can access and print their electronic I-94 record via the website www.cbp.gov/I94.

On December 18, 2015, the President signed into law the Visa

Waiver Program Improvement and Terrorist Travel Prevention Act

of 2015 (“VWP Improvement Act”) as part of the Consolidated

Appropriations Act, 2016. To meet the requirements of this new

Act, the Department of Homeland Security (DHS, or the

Department) strengthened the security of the VWP through

enhancements to the ESTA application and to the Form I-94W.¹

Many of the provisions of the new law became effective on the date

of enactment of the VWP Improvement Act. The Act generally

makes certain nationals of VWP countries ineligible (with some

exceptions) to travel to the United States under the VWP,

specifically, if the noncitizen is, at the time of applying for

admission, also a national of or has been present at any time on or

after March 1, 2022-- in Iraq, Syria, a country that is designated a

state sponsor of terrorism,² or any other country of concern as

designated by the Secretary of Homeland Security.³ INA section

217(a)(12)(A).

Previous Revision:

Visa Waiver Program Designation (VWP): Qatar

CBP received emergency approval to revise the collection to add

Qatar into the VWP.

¹ Note that the Form I-94 is not affected by this change.

² Countries determined by the Secretary of State to have repeatedly provided support for acts of international terrorism are generally designated pursuant to three laws: section 1754(c) of the National Defense Authorization Act for Fiscal Year 2019 (50 U.S.C. 4813); section 40 of the Arms Export Control Act (22 U.S.C. 2780); and section 620A of the Foreign Assistance Act of 1961 (22 U.S.C. 2371).

³ The Act contains exceptions for individuals determined by the Secretary of Homeland Security to have been present in these countries, “(i) in order to perform military service in the armed forces of a [VWP] program country; or (ii) in order to carry out official duties as a full time employee of the government of a [VWP] program country.” INA section 217(a)(12)(B).

New Revision:

CBP has calculated the estimated burden for this information collection to account for additional countries added into the Visa Waiver Program over the next three years. Pursuant to section 217 of the Immigration and Nationality Act (INA), 8 U.S.C. 1187, the Secretary, in consultation with the Secretary of State, may designate certain countries as VWP countries if certain requirements are met.⁴ Once a country has met the requirements and been designated by the Secretary as a program country, eligible citizens and nationals of a program country may apply for admission to the United States at U.S. ports of entry as nonimmigrant visitors for a period of ninety days or less for business or pleasure without first obtaining a nonimmigrant visa, provided that they are otherwise eligible for admission under applicable statutory and regulatory requirements. As an ESTA is required for any travel to the United States under the VWP, the collection is being updated to include travelers from current VWP designated countries and travelers from potentially added designated countries over the next three years.

Additionally, CBP intends to update the ESTA application website to require applicants to provide a photograph of their face, or “selfie”, in addition to the photo of the passport biographical page. These photos would be used to better ensure that the applicant is

⁴ All references to “country” or “countries” in the laws authorizing the VWP are read to include Taiwan. See Taiwan Relations Act of 1979, Public Law 96-8, section 4(b)(1) (codified at 22 U.S.C. 3303(b)(1)) (providing that “[w]henever the laws of the United States refer or relate to foreign countries, nations, states, governments, or similar entities, such terms shall include and such laws shall apply with respect to Taiwan”). This is consistent with the United States’ one-China policy, under which the United States has maintained unofficial relations with Taiwan since 1979.

the rightful possessor of the document being used to obtain an ESTA authorization.

Currently, applicants are allowed to have a third party apply for ESTA on their behalf. While this update would not remove that option, third parties, such as travel agents or family members, would be required to provide a photograph of the ESTA applicant.

The ESTA Mobile application currently requires applicants to take a live photograph of their face, which is compared to the passport photo collected during the ESTA Mobile application process. This change will better align the application processes and requirements of ESTA website and ESTA Mobile applicants.

CBP invites the public to comment on both the previously approved emergency revision and new proposed revisions.
