SUPPLEMENTARY INFORMATION:

Title of Collection: Days of Service Project Collection Tool.

OMB Control Number: 3045-0122.

Type of Review: Renewal.

Respondents/Affected Public: Businesses and organizations.

Total Estimated Number of Annual Responses: 100,000.

Total Estimated Number of Annual Burden Hours: 17,000.

Abstract: AmeriCorps is soliciting comments concerning the proposed renewal of its Days of Service Project Tool, which allows organizers of volunteer events to register their service projects associated with Martin Luther King, Jr., Service Day, September 11th Day of Service, and other volunteer events. Respondents include national service grantees, corporations, volunteer organizations, government entities, and individuals. AmeriCorps wants to help promote Days of Service and other relevant volunteer activities across the country and also to assess the impact of the agency's initiatives. Information provided is purely voluntary and will not be used for any grant or funding support. The current application is due to expire on March 31, 2025. Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval.

Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the

collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information. All written comments will be available for public inspection on [regulations.gov](https://www.regulations.gov).

Rhonda Taylor,

Director of Partnerships and Program Engagement.
